Presentations and Announcements

2. Bryant Comprehensive Street Improvement Plan

GarNat Engineering and Volkert - Presentation on Street Improvement Plan and Survey The City of Bryant is committed to providing safe, reliable, and efficient transportation for all residents, businesses, and visitors. As part of our ongoing efforts to improve streets, sidewalks, intersections, and other transportation infrastructure, we are seeking your input on areas within the city that need attention. This survey is designed to help us identify problem areas—such as traffic congestion, roadway conditions, pedestrian safety, bike accessibility, and other transportation challenges. Your feedback will guide city leaders and planners as we prioritize improvements and develop long-term solutions for Bryant's transportation network. We encourage all Bryant motorists to share their experiences and concerns. By participating, you are helping us build a safer, stronger, and more connected community.
