MANAGEMENT STAFF REVIEW (Signature)

MAYOR (Signature)

ITEM HISTORY (Previous Council reviews, action related to this item, and other pertinent history)

The proposed rate study has been reviewed at WSAC regular & special meeting, planning commission, community engagement committee, and a meeting with business leaders. Ryan Bowman with Friday Firm along with staff have drafted/reviewed these ordinances.

ITEM COMMENTARY (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

This ordinance reflects the rates that were proposed in our recently completed Water/Wastewater Rate Study. The wasterwater rates are scheduled to increase by 6% for 3 years followed by 2% the next 2 years. Act 925 requires the implementation of full cost pricing meaning we must have rates that provide us with adequate revenue to continue operating the system at the current level of service as well as completing our Council adopted Wastewater Capital Improvement Plan. Our last rate ordinance was passed in 2021 as Ordinance 2021-07. This ordinance also includes the Monthly Infrastructure Fee so fees/rates are easily trackable.

(This section to be completed by the Mayor)

ACTION PROPOSED (Motion for Consideration)

Complete a first reading of proposed ordinance in September, allow for public hearing to be held during October's Council meeting, and adopt the ordinance as proposed in October to ensure adequate time for Natural Resources Division to review/approve and proper budgeting to occur before rates go into effect January 1, 2026.
