Colton,

On behalf of our client, Hope Consulting is formally requesting the City of Bryant Staff and Planning Commission begin the review and approval process for the Rezone of this property. These parcels, located on Prickett Road, Bryant, AR 72022 are currently zoned R-E and C-2, and C-2. Our client, Heritage Homes, is requesting to rezone all 3 parcels to R-1. We would like to be included in the April 13th Planning Commission Meeting. Please feel free to contact me with any questions, concerns, or if I can be of any further assistance.

Sincerely,
