

A photograph of a building with a sign. The building has a light-colored brick facade and a dark roof. The sign is black with white text. The building has a gable roof with a small window in the peak. Below the sign are two large arched windows. To the right of the arched windows are three rectangular windows. A white fence is visible on the left side of the building. A white car is parked in the background. A utility meter is visible on the right side of the building.
