Subject- Application for Conditional Use Permit

Description-

Currently, we have two prefabricated buildings located at the above address (Parcel # 840-03790-087). When purchasing the buildings, I was unaware of the need for building permits. Our existing residence is 2822 sqft. The first building is 10x20(200 sqft) and the second building is 16x40(640 sqft). On 20 Oct 22, I was informed that I am only allowed to have approximately 700 sqft of additional space. The total of square footage of both buildings are 840 sqft, putting me over the threshold of 700 sqft by 140 sqft. The proposed use of both buildings will not be materially detrimental to the public welfare or injurious to the property. The 10x20 will be used as storage for lawn equipment, holiday decorations and any other additional equipment. 16x40 will be used as She Shed and Man Cave (once completed). At no time shall either building be used as living quarters. All appropriate actions have been taken to ensure that both buildings have place on our property within the City of Bryant's guidelines. We have been living in the neighborhood for approximately 6 months. We're good neighbors and will continue to be so. We have not had any complaints or issues with any of our surrounding neighbors.
