RE: Request To Add 80x40 Building to 3015 Corporate Center Dr Bryant Ar 72022

Arkansas Service One HVAC would like to add an Additional 80x40 building to the rear of existing 40x60 building. The building function will be for warehouse and storage. We would like to request your approval to proceed with the project. Currently we use the outside perimeter of existing building for storage and have occurred theft and vandalism.

Thank you for your consideration in this matter. If you need additional information, please contact me at memmerling@asohvac.com or (501) 690-4822.
