RE: Legacy Woods: Planned Unit Development

Dear Mr. Leonard,

Colton,
I am writing to propose Legacy Woods, a vibrant new neighborhood within our community that promises to enhance the quality of life for its residents and contribute positively to the overall appeal of Bryant. This project will be proposed as a Planned Unit Development.

Located on 18.8 acres on Highway 5, this proposed neighborhood will consist of 78 residential lots thoughtfully designed to foster a sense of community and well-being. Emphasizing both recreation and relaxation, our plan includes a range of amenities aimed at promoting an active and social lifestyle.

Key features of the proposed neighborhood include:

*Walking trails weaving through lush greenery, providing residents with opportunities for exercise and leisurely strolls.
*Pickleball courts catering to the growing popularity of this engaging sport, encouraging friendly competition and camaraderie among neighbors.
*A fitness center equipped with modern facilities, allowing residents to pursue their health and wellness goals conveniently within the neighborhood.
*A welcoming clubhouse serving as a hub for community events, gatherings, and celebrations, fostering connections and a sense of belonging among residents.
*A thoughtfully designed playground providing safe and enjoyable recreational opportunities for children.
*A refreshing swimming pool offering a perfect retreat for relaxation and enjoyment during warm summer days.

Furthermore, we are committed to preserving green spaces within the neighborhood, with 4.15 acres designated as Common Usable Open Space. This area will not only enhance the aesthetic appeal of the neighborhood but also provide residents with additional recreational opportunities and a connection to nature.

Our vision for this neighborhood is to create a harmonious blend of modern living, recreational amenities, and natural beauty, offering residents a fulfilling and balanced lifestyle. We believe that this development aligns with the city's goals of promoting community well-being and sustainable growth.

We look forward to discussing this Planned Unit Development with you further and working collaboratively to bring this exciting project to fruition for the benefit of all Bryant residents.

Sincerely,

Jonathan Hope
