THE CITY OF BRYANT, ARKANSAS

CITATION AND PROCLAMATION TO THE CITIZENS OF BRYANT, ARKANSAS

Whereas, the first responders of Arkansas, including police officers, firefighters, paramedics, and other emergency personnel, selflessly put their lives on the line every day to protect and serve our communities; and

Whereas, these brave individuals exhibit unwavering courage, professionalism, and dedication in the face of danger and adversity; and

Whereas, the sacrifices made by Arkansas first responders, both on and off duty, deserve recognition and appreciation from the community they serve; and

Whereas, Arkansas First Responders Week provides an opportunity for the community to come together and express gratitude for the tireless efforts of these heroes; and

Whereas, the commitment and sacrifice of Arkansas first responders inspires others to serve their communities and make a positive difference; and

Whereas, the services provided by Arkansas first responders are vital in ensuring public safety, emergency response, and disaster management; and

Whereas, Arkansas First Responders Week serves as a reminder to support initiatives that enhance the well-being and resources available to first responders; and

Whereas, the resilience and compassion displayed by Arkansas first responders in times of crisis exemplify the true spirit of community and unity; and

Whereas, The City of Bryant, in conjunction with the State of Arkansas, acknowledges the week of March 3rd-8th as Arkansas First Responders Week.

Now, Therefore, I, Rhonda Sanders, Mayor of Bryant, Arkansas do hereby proclaim the week of March 3rd-8th, 2024, as First Responders Week in the City of Bryant and I urge all citizens to show their appreciation and support to our first responders as they serve our community.

Mayor Rhonda Sanders

State of the City
Delivered February 27, 2024

I am truly honored to be able to bring this State of the City Report tonight. Even though my Mayorship has been non-traditional and limited in time, there are still many things to report and highlight. Bryant has been a growing and thriving city for many years. I am pleased that this has continued even through difficult situations. So, I would like to share my thoughts under four main headings; Collaborating, Constructing, Connecting and Challenging Changes.

COLLABORATING

The City of Bryant worked diligently over the past year to successfully complete several major projects in collaboration with municipalities in Saline County. Last week a formal contract was signed between Bryant and eight other municipalities to move forward with the **Saline Regional Public Water Authority.** This effort, to identify and develop a Saline County water source, has been in the works for nearly 30 years. This past week it became a true reality. By joining together, we will be able to supply our citizens with a sustainable source of water with stable pricing. This collaboration will positively affect Bryant and all of Saline county far into the future. Moriah Winkle and Tim Fournier from our Public Works Department were key players in making the contract happen. It has been invaluable to have Bryant so well represented throughout the process.

Additionally, this past year, Chief Minden and Chief Jordan worked collaboratively with the **Saline County Emergency Communications Center** to prepare for and complete a consolidation that is the result of the Arkansas Public Safety Act of 2019, which stated that Public Safety Answering Points (PSAP's) were required to consolidate across the state.

The Bryant Police Department, along with the City Council and Mayor, worked to come to an agreement that would allow Bryant 911 to stay operational, however in September 2022, City Council and the Mayor voted to join the Saline County PSAP and Saline County Emergency Communications Center.

The consolidation will now become official on March 5, 2024. The City of Bryant is working to ensure our citizens have the best possible care and response during a time of need. Working collaboratively is essential for this to happen.

During the past year city personnel were, led by Joy Black, to work collaboratively to **improve data and information systems for the public**. The city financial office implemented a new financial system that allows for better reporting and monitoring, while integrating multiple billing systems that were manual in the past. This will save time and provide for better accountability of resources in the future.

Bryant Animal Control worked diligently this past year to achieve the status of being a "No Kill" shelter. This status is now within reach due to the collaborative effort of Tricia Power, Animal Control Director. By partnering with other shelters in state and out of state, Bryant Animal Control has placed more animals in their forever homes. This has resulted in fewer animals being euthanized.

CONSTRUCTING

In 2023 Bryant was busy constructing new opportunities for our citizens. The largest project by far has been the Bryant Parkway. The parkway is on track to be completed by July 2024. When open the parkway will connect the north side of the interstate with the southside of the interstate and will open the corridor all the way to the Saline Regional Airport. This will provide Bryant with new opportunities for smart growth that will bring new resources to our city.

The new tennis and pickle ball courts at Mills Park were completed and named the Boswell Courts in 2023 under the direction of Parks Director Treat. The courts have been used by hundreds of citizens and visitors.

In 2023 we were also able to install a new water metering system along with new meters for each of our direct water clients. The new meters were successfully installed and the new metering system allows clients to access their billing online and monitor their usage in real time.

Our Public Works Department has been busy adding to the amount of work they can do in-house. Last year our staff performed over 2000 feet of pipe bursting in the Stillman/Stivers areas, upgraded street lights, overlaid roads and completed drainage phases in Cambridge Place, Stonepine, Meadow Creek Drive and Dogwood Place. Additionally, they secured funding for two large sewer projects set to begin in 2024.

We still have growth in our city with 96 new residential building permits and 11 new commercial building permits issued. Quality growth is critical in order for a city to have the resources necessary to retain and improve the quality of life.

CONNECTING

One of the critical roles City Hall plays is implementing ways to connect our citizens with each other and with City Officials. Most people would not consider the city budget as a way to connect to the community, but in Bryant this has been the case. Multiple opportunities were offered to the public to give their input into our city budget. I appreciate our Finance Department and other volunteers attending events and meetings to make the public aware of our budget process and to hear their opinions. Our budget book once again earned the Distinguished Budget Presentation award because of its easy to follow format and its public education focus. The budget book is readily available on our city website for anyone interested in learning more.

Another way we connected in 2023 was through the development of a new Master Parks Plan. The process included input from several hundred citizens and out of city limits park visitors. Several community meetings were held to get input on where we want our parks to be in the next 20 years. The plan is available on our city website on the Parks and Recreation page.

Recently the Community Engagement Committee re-grouped and has set a course for engagement between citizens and city offices. This committee started in 2022 but recently gained new purpose and energy. Having a committee focus on the ways we can connect and engage with others will be critical to bringing in the right businesses, developing the most engaging events and identifying new opportunities for our city. This committee is developing their by-laws and goals and I hope will become an official committee of the city by the summer.

Last but not least, the city initiated a new citywide Christmas event in 2023. The new event was very successful and was a collaborative effort between the city, local businesses and the chamber of commerce. The city supports efforts to bring community events to the forefront and provide citizens an opportunity to connect. Additionally, an ordinance allowing for entertainment districts to be developed was passed in 2023. This will allow businesses and organizations to develop events that are structured in a variety of ways.

CHALLENGING CHANGES

While the past year has had many successes, it has also come with several changes that have presented challenges. The changing work environment in the state and nation have placed the burden on many organizations to increase budgets in order to attract and retain personnel. Bryant was no different. In an effort to keep the city safe and secure the pay scales for both fire and police were revised in February 2023. This change led to budget constraints unless additional revenue sources were identified. Two possible solutions were an increase to the city millage and a proposed ballot initiative for an A&P tax. City Council passed a small millage increase for the first time in over 30 years to help bridge some of the gap, but the proposed A & P tax overwhelmingly failed in November 2023. This left the city with the need do adopt budget cuts that include a hiring freeze, elimination of new unfilled positions and COLA pay increases being eliminated to name just a few.

The most significant change of 2023 came in late September when the elected mayor had to resign, leaving the city in a very uncertain position. I was appointed interim mayor by the City Council until a new mayor could be elected. The timeline for a special mayoral election was set in November and that will occur on March 5, 2024.

I am proud to say that while the challenges, at times, have been great, Bryant has risen above and continued to grow and thrive. Much was accomplished this past year and we are now on a path to have new leadership and many great opportunities. A new Mayor will be sworn in on March 8th and a new set of "How Tos" will be established. As the city begins this next chapter, I want to encourage leadership to consider a few things:

1. Our citizens should receive our best
2. The campaign is over, bitterness and revenge will get us nowhere
3. Surround yourself with people who have different skill sets and opinions than you
4. Look for the value in every person and group
5. Seek to learn and understand

6. Recognize that in the grand scheme of things you are not very important
7. It is a privilege to serve

In closing, I want to let each of you know that it has been an honor to serve my city and to be a part of setting the stage for the next chapter in Bryant. When I step aside next week it will be with a full heart and new understanding. I appreciate the city staff for educating me and being gracious. You have a special place in my heart. I applaud the Council for leading and for serving. You have been open and supportive. Finally, I thank the citizens of Bryant who have continued to be engaged and caring of our city and each other. I have enjoyed meeting you and hearing from you.

May God richly bless this community going forward.

Rhonda Sanders

2.07.24 DRAFT

Pg. 4 Sales tax came in $18K below our estimates per each 1% of sales tax in January. However, it was above last year's January amount.
Pg. 5 Approving the requested budget adjustments for General Fund will reduce the days in cash by less than 1 day. However, please note that I recalculated the 120 days using the last six months of expenses and so our days in cash has now dropped to 147 days for General Fund and 127 days for Street.

Pg. 6 Water cash balance continues to be critically low; however, we were awarded the money from ANRC it just has not hit the bank yet. We did not get the money before the end of the year so I have moved $1million from the Depreciation Fund and $314K from the new Infrastructure Fee Fund to cover the shortage until we receive the money from ANRC and $169K to cover the Water Master Plan from Impact Fees. Hoping to use another $27K from fund 535.

With the receipt of the two ANRC awards and our impending Master Plan completions for Water and Wastewater we can redouble our efforts and strategize on the best and fastest way to build back our cash reserves to my recommended 120-day levels starting now and hopefully completed by the end of 2024. This was a major focus of the Finance Department for the 2024 Budgetary Season.

Pg. 7 I added the new 620 Infrastructure Fund at the bottom of the sheet. I also removed closed funds 167 and 700 which allowed me to reduce the report by one page each month.

See attached support for the Fire Compressor. Quote on a cooperative purchasing agreement. Also see attached the TIPS Quote from Floors and More for the tile at the Police Department.

Thanks, Joy

Preparing For Your Installation- A Checklist

The installation of floor covering is a form of remodeling. We do our best to minimize the inconvenience to you, but some projects are just nasty. Be prepared.
***Furniture-** Because moving furniture, equipment, and appliances takes time, our installers are paid extra if we ask them to perform such services. Accordingly, you will be charged for any additional work that is required to install the flooring. It is best, therefore, to make provisions in advance to have the installation site clear, and to to move it yourself, if possible.*
***Knick Knacks-** Books, lamps, pictures, and other small items should be removed by you even when you have made arrangements for us to remove and replace your furniture.*
***Electronic Equipment-** Even when you have contracted with us to remove and replace such equipment as computers, phones, etc., we are not responsible for disconnecting, reconnecting, or reprogramming. Their work is limited to physically removing and replacing the equipment.*
***Specialty Items-** Fish tanks, computer desks, modular shelving units, etc., which require disassembly and/or professional moving, are beyond the expertise of our installers. You will need to make other arrangements, as these are highly specialized items which require specialized knowledge to work on.*
***Hidden Alarm System Wires-** Door bell wires, TV coaxial cable, plumbing, radiant floor heating, etc. may be affected by nailing, stapling, or cutting. To avoid the inconvenience of having to get them fixed, please let our installer know their locations in advance, so that he can take special precautions to avoid them.*
***Dirt, Dust, and Debris-** The installation of many of today's floor covering products will produce a fair amount of dust in the air. Our installers will do their best to protect your space, but the finest small particles may settle on your walls, on your furniture, and your HVAC system. We recommend you take extra precautions to cover or protect your furnishings. In some cases, a thorough cleaning may be required. Such cleaning is beyond the scope of our work.*
***Work Area Access-** Please make sure that our installers have safe and easy access to the installation site. Identify for them what areas they can use to perform their "dirty" work, parking, and access to project location.*

Unless Stated Above In the Proposal

AR Contractor's License 0000620424
No refunds on overage material bid
No weekend/overtime work bid
Owner/contractor must perform contract certified concrete moisture testing
No floor care after installation (wax, grout sealer, vacuum, etc.)
No trimming of doors

INTERLOCAL AGREEMENT BETWEEN
SALINE COUNTY, ARKANSAS
AND
CITY OF BRYANT, ARKANSAS

This Interlocal Agreement executed between Saline County, Arkansas ("County") and the City or Bryant, Arkansas ("City") is entered into on this _____ day of _____, 2024, pursuant to the provisions of the Interlocal Cooperation Act (the "Act") (Ark. Code Ann, §§ 25-20-101 through 25-20-108).

Whereas, the City of Bryant Arkansas and Saline County, Arkansas are political subdivisions of the State of Arkansas; and

Whereas, it is necessary for the County, through the Saline County Planning Board, to review and approve new and existing residential subdivisions and commercial developments located within unincorporated areas of Saline County, Arkansas; and

Whereas, it is necessary for the City, through the Bryant Planning Commission, to review and approve new and existing subdivision developments located within the city and the extraterritorial jurisdiction of the Bryant Planning Area Boundary of the City of Bryant; and

Whereas, the parties hereto desire to enter into an Agreement which delineates the County and City's respective authority and obligations concerning the review of planning and development projects in the City's extraterritorial jurisdiction.

Now Therefore, the parties hereby agree as follows:

1. The City will retain the authority to control the subdivision of land within its adopted and recorded planning area boundary in accordance with and under the relevant Arkansas statutory provisions, including but not limited to Ark. Code Ann. §§ 14-56-401 through 14-56-408 and §§ 14-56-410 through 14-56-425.

2. The City shall have subdivision jurisdiction, including final approval for recordation of final plats with the Saline County Recorder for proposed subdivisions lying within the City's extra-territorial jurisdiction.

3. All proposed subdivision plats located within the extraterritorial jurisdiction of the Bryant Planning Area Boundary of the City shall be first submitted to the city’s Community Development Department.

4. After review by City Department Staff and Development Review Committee (DRC) for compliance with all municipal codes, a copy of all applicable plats submitted to the city shall be transmitted to the Saline County Planning Board for review and comment.

5. Upon receipt of plat and a check from the developer made payable to Saline County for all applicable fees due, the Saline County Planning Board shall Forty-five (45) days to forward to the city any suggested changes to the plat unless further time is granted in writing by the City. Developers are

required to be in attendance for the review, and all comments will be sent to the Bryant Planning Commission.

6. The Community Development Director for the City shall include any comments from the Saline County Planning Board to the Bryant Planning Commission for consideration when it reviews the plat for approval.

7. Developments that are within the city's extraterritorial jurisdiction of the Bryant Planning Area Boundary shall obtain approval of the subdivision's name from the Saline County Tax Assessor and names of the streets or roads within the development shall be approved by the Saline County Office of Emergency Management.

8. If the residential development is to have private streets or roads within the development, the developer must establish an improvement district with provisions for the maintenance and repair of said streets or roads, stormwater infrastructure and ongoing electrical cost and maintenance of street lights by said district.

9. In the event of differences in the developmental requirements for street design standards of the respective parties, those requirements most stringent shall be applied.

10. Saline County and the City of Bryant shall have the authority to inspect and otherwise ensure the quality of street construction for all subdivisions approved in the extraterritorial areas of the Bryant Planning Area Boundary.

11. Both the County and the City Public Works Department shall provide written documentation of the satisfactory completion of roadway installation and that it is compliant with the more stringent regulations of the county or city. The documentation shall be provided to City's Community Development Director or his/her designee.

12. The City requires the developer to furnish an infrastructure construction bond within 10 days after approval of the Preliminary Plat to ensure completion of improvements before Final Plat approval.

13. Upon completion of the installation of the roadway and as a condition of approval of the Final Plat, the developer shall provide a Maintenance Bond, or other acceptable instrument assigned, that meets the higher bond requirement of the respective parties, made payable to the County and City, with a copy of same to both entities.

14. Upon completion of the installation of non-road improvements (i.e. water and/or sewer, stormwater infrastructure) and as a condition of approval of the Final Plat the developer shall provide a Maintenance Bond or other instrument assigned, that meets the higher bond requirement of the respective parties, made payable to the City.

15. By mutual agreement, proof of annexation request, and written confirmation of the Saline County Judge, the provisions of this agreement may be waived for plats involving extra-territorial lands that are contiguous to the city limits of Bryant at the time of plat submittal.

16. Plans for storm water drainage lying within the City's extraterritorial jurisdiction, along with construction and implementation of said plans, must be reviewed and approved by the Director of the City's Department of Community Development and Public Works.

17. Each party shall be entitled to charge its respective customary fees for review of the plat and Inspection of the development.

18. When the City receives an application for a project located within its extraterritorial jurisdiction that does not require the City Planning Commission's review, the City shall request that the developer contact the County's Planning Board for review of the project prior to commencing construction. Likewise if the County receives an application for a project located within the City's extraterritorial jurisdiction that does not require the Saline County Planning Board's review, the County shall request that the developer contact the City's Community Development Department for review of the project prior to commencing construction.

19. This Agreement shall be administered by the Mayor of the City of Bryant and the Saline County Judge, or their respective duly designated representatives.

20. This Agreement shall continue until terminated by either party hereto.

21. Termination of the Agreement shall be effected by thirty-days' written notice to the Mayor of the City of Bryant and the Saline County Judge.

22. Any costs associated with executing the functions specified herein shall be borne by the party who is responsible, as identified herein, for executing said function.

City of Bryant Water and Wastewater Utilities

POLICY GOVERNING WATER LEAKAGE BILLING ADJUSTMENTS

Customers may qualify for bill adjustments to water and sewer charges when property-side leaks cause unusually high utility bills. The Customer Service Manager will provide a report to the Water and Sewer Advisory Committee each month detailing the leak adjustments under $100 and a separate report detailing requests for adjustments over $100.

ELIGIBILITY FOR ADJUSTMENTS

Each customer account is eligible to receive one adjustment to water and sewer charges during the Fiscal year period (January 1 to December 31.), (except irrigation-dedicated water services which will be evaluated at a 2 Fiscal year period) including indoor and outdoor leaks.

- Adjustments are made to the water and sewer portion of the bill only.
- Customers may request adjustments after leaks have been repaired.
- The Customer Service Manager is authorized to make adjustments up to $100.
- Any requested adjustments over $100 must appear before the Water and Sewer Advisory Committee for a decision on eligibility.
- Any City staff person will check the water meter to verify that the leak has been fixed. The Customer requesting an adjustment will be asked to confirm the leak and repair by singing a statement provided by the Water and Wastewater Department; and providing adequate documentation. (i.e. receipt of materials and/or services of repair).

EXCEPTIONS TO ADJUSTMENT POLICY

- Damages caused by leaks will not be assessed as part of the adjustment.
- Any plumber or contractor services associated with leak detection or repairs will not be assessed as part of the adjustment.
- No adjustments can be made to fees that are associated with meter, watershed, and taxes.
- Any customer may requestion verification of accuracy of their water meter by requesting a manufacturer's calibration test. However, should the meter's retested measurements indicate that the water used by the customer is at or below the measured reading, the customer will be responsible for all costs associated with removing, installing, and testing of the meter.

IDENTIFICATION OF ELIGIBLE PRIVATE SERVICE LEAKS

Private Service leaks may be identified by the Customer or by the Water and Wastewater Department.

- It is not the responsibility of the Water and Wastewater Department to monitor for customer leaks. However, if the Department does recognize the possible presence of a leak, the Customer will be advised in a timely manner. If the Customer is not home to notify in person, a notice will be posted on the Customer's door.
- When the Department does notify the Customer of the possible presence of a leak, the Customer must make reasonable efforts to locate the leak and initiate repairs within 30 days of notification.
- Water loss due to theft, vandalism, construction damage, or unintentional usage, such as being unaware of a garden hose or water tap running for an extended period of time, is ineligible for an adjustment. A signed statement from the Customer stating the cause of the leak of water loss will be required.

ADJUSTMENT

The method for adjusting the Customer utility bill after the leak has been repaired is:

- Customer Service will determine when the leak started and ended based on the water meter system data.
- An adjustment of 50% discount on all water and wastewater used will be applied to the bill determined for the month of highest consumption during the leak timeframe.
- No late charges related to the leak will be assessed if an adjustment is allowed.

REQUESTING A LEAK ADJUSTMENT

The Customer must make a written request for a leak adjustment on a Leak Adjustment Request form obtained at Bryant Water and Wastewater Customer Service. The Customer may submit the form by mail to:

Bryant Water and Wastewater Department
Attn: Customer Service Manager
210 SW 3rd Street
Bryant, AR, 72022

INFORMATION REQUIRED FOR A LEAK ADJUSTMENT REQUEST

1. Date
2. Customer Name
3. Account Number
4. Service Address
5. City, State, Zip
6. Home Phone
7. Work Phone
8. Date Leak was Detected
9. Date Leak was Repaired
10. Description of Leak (faucet, toilet, underground, etc)
11. Explanation of How Leak was Repaired
12. Copy of Invoice for Plumber's Services or for Parts Purchased by the Customer to make the repair
13. Letters from landlords or property management companies affirming repairs will be accepted in lieu of invoices, if applicable.

PLEASE NOTE: Completion of request does not guarantee an adjustment will be made to the Customer's City of Bryant utilities bill. No adjustment will be made to any fees, incurred penalties, or tax-portion of the bill. Copies of invoices and receipts for repairs must be provided with the Customer request for an adjustment. The account must remain current and bills paid by due date to avoid additional service charges or disconnection of service.

PAYMENT PLANS

- Customers with bills over $100 may request a 4-month payment plan with a down payment of 25% of the bill with the remaining 3 payments of 25% each.
- In order to enter into this program, DPA request must be completed and returned to the Customer Service Manager.
- Customers must remain current on future bills and make payments on time. Failure to do so will result in a default or termination of the agreement.

- Customers that miss a payment may have their service disconnected.
- In the event a customer has already executed a DPA within the allowed calendar year, the Customer Service Manager will review the Leak Adjustment Request and adjust executed DPA to reflect adjusted bill.

Memorandum of Understanding

This Memorandum of Understanding (MOU) is executed on behalf of the City of Bryant, hereafter referred to as "the City" and the Bryant Public School District, hereafter referred to as "the District".

Purpose

The purpose of this MOU is to establish an understanding and agreement between the parties related to Hill Farm Road Area Improvements.

Details and Benefits

The Bryant Parkway project is scheduled to be completed in the summer of 2024. With the completion of this project, substantial more traffic will divert onto Hill Farm Road. A project map has been developed by Garver showing the improvements that are necessary to Hill Farm Road to accommodate the increase in traffic. (attached hereto as Exhibit A)

Agreement

The District agrees to provide the expenses for the design work and associated fees for improvement area 1 & 2 shown on the Project map for Hill Farm Road. The City will initially pay the expenses associated design work and associated fees and the District will reimburse the City up to, but not to exceed, One Hundred and Fifty Five Thousand Dollars ($155,000).

Entire Agreement

Neither party to this agreement is the agent of the other for the purposes of this agreement. No employee or contractor of one party shall become the employee or agent of the other party by participating in the joint communication activities of this agreement.

We won't have actual traffic data from Bryant Pkwy., however, Metroplan has detailed regional models that make predictions about how many vehicles will utilize Bryant Parkway once it is opened. We will utilize these predictions, along with the schools zoning maps to predict site traffic after Bryant Parkway is opened.

In general, these may not be the right solutions to the congestion and safety issues this area might experience once Bryant Parkway is opened. As of now, they are an educated guess on the improvements that may alleviate operational issues, but a traffic study could identify congestion/safety issues that we have not identified yet.

If we build this without a traffic study, it could fail when school starts back up again in August 2024 and Bryant Parkway is opened to traffic. With a traffic study, we would be able to identify potential problems like this early and we would have data to determine solutions.

This left turn lane will be utilized by left turners into the junior high, and also elementary school traffic that wants to u-turn to go northbound on Bryant Parkway. In the AM, the turning movements here could be high with significant opposing traffic going eastbound on Hill Farm Rd. There is a risk that this intersection fails in August 2024 when school is back in session and Bryant Parkway is open to traffic. A traffic study would identify this potential issue early and allow us to determine solutions based on data.

A traffic study will tell us how much the left turn lane into the elementary school can be shortened to allow more room for the left turn lane into the Junior High School.

LOON FOR EASTBOUND TRAFFIC U-TURN TO GO WESTBOUND

LEFT TURN LANE FOR WESTBOUND LEFT

LEFT TURN LANE EXTENSION FOR EASTBOUND TRAFFIC U-TURN

If this connection is made in the future, traffic patterns could change significantly, which could result in modifications to previous work done on Project 1 and 2. Conducting a traffic study now would minimize the possibility of modifications to previously constructed improvements.

REDUCE LENGTH OF EASTBOUND LEFT TO ACCOMODATE WESTBOUND LEFT TURN LANE

LOON FOR WESTBOUND TRAFFIC U-TURN TO GO EASTBOUND

If we don't have a traffic study, we would likely make this left turn lane as long as possible. The risk here is that you spend extra money on new pavement and curb that may not be necessary. A traffic study would tell us how long you need to extend this left turn lane.
