THE CITY OF BRYANT, ARKANSAS

PROCLAMATION TO THE CITIZENS OF BRYANT, ARKANSAS

WHEREAS, child abuse and neglect are serious issues affecting every segment of our community and require awareness, prevention, and action from all; and

WHEREAS, children are our most valuable resource and play a vital role in shaping the future of our city; and

WHEREAS, child abuse can have lasting psychological, emotional, and physical effects that impact individuals and families for years to come; and

WHEREAS, effective prevention depends on strong partnerships between child welfare professionals, educators, healthcare providers, law enforcement, community organizations, and families; and

WHEREAS, Child Advocacy Centers provide a safe, child-friendly environment and a coordinated response through a multidisciplinary team to support children and families; and

WHEREAS, the Cooper-Anthony Mercy Child Advocacy Center continues to serve the children of Saline County through advocacy, forensic interviews, medical services, therapy, and prevention programs; and

WHEREAS, our community must remain committed to promoting the well-being of children and families and ensuring a safe, stable, and nurturing environment for all.

NOW, THEREFORE, I, **Chris Treat, Mayor of the City of Bryant, Arkansas**, do hereby proclaim April 2026 as National Child Abuse Prevention Month in Bryant and urge all citizens to recognize this month by dedicating ourselves to the task of improving the quality of life for all children and families.

Budget Adjustment Request Form

Account Number	Adjustment Amount	Act Name/Description	Original Budget	Amended Budget
500-0900-5816	$80,000	Project change; money remains in 5816	N/A	N/A

* Revenue Account Numbers start with 4XXX for the last four digits, negative numbers increase revenues and offset expense increases

* Expense Account Numbers start with 5XXX for the last four digits, positive numbers increase expenses and negative numbers decrease expenses

Council adopts the budget by category by department by fund so any budget adjustments that cross categories, depts or funds must be brought to Council.

Reason/Justification for the Adjustment: (Attach any supporting documents)
Pge 82 of the budget book originally budgets for a capital project "Woody Dr to Steeple Chase" for $80,000. Due to updated Highway 5 widening plans, this project will need to wait until that work is complete. We may be able to complete parts of it during the widening project. We want to re-allocate that $80,000 to fund our "Booster Pump Station" project. This will allow for us to move forward with installing a new panel at the booster station that will give us capabilities that we do not currently have such as remotely reading tank levels, influent gallons, effluent gallons, chlorine residual, and pH. This will help us with modeling what our system is doing as well as responsibly ensuring that our disinfection levels, tank levels, and pressures remain adequate.

Council adopts the budget by category by department by fund so any budget adjustments that cross categories, depts or funds must be brought to Council.

Reason/Justification for the Adjustment: (Attach any supporting documents) - Finance Director - The principle and interest amounts were short by very small amounts once the Purchase orders for the whole year were put into the system. And a reclass was needed in the SRO Uniform lines. It was not known until the end of the year how much money would be left in the Bryant parkway bond account. This is an estimate inclusive of interest.

Reason/Justification for the Adjustment: (Attach any supporting documents)

Replacement of heater core and left/right cylinder head assembly on 2009 Chevrolet Silverado 2500HD that is used as the Trash Truck. This truck is essential as it picks up trash from all of our public trash receptacles daily. This was more cost efficient than replacing the truck.
Transfer of funds for ADA Lift Chair at Mills Park from Repairs & Maintenance to Capital.

ENVIRONMENTAL COMPLIANCE CHARGE

Maintaining and repairing your car inevitably involves the use of chemicals and generation of wastes (solvents, oils caustics, lead, asbestos, etc.) that must be stored, managed and disposed of in strict compliance with federal, state and local environmental regulations. We support these regulations and also believe our customers do too because they help ensure a safer, healthier environment for everyone. Complying with these regulations increase the cost of service. Ordinarily, increase costs simply result in an increased hourly labor charge. This dealership has decided in lieu of raising its labor rate, to list a compliance charge on appropriate service bills because we believe our customers would be interested to know they are helping to pay for a cleaner environment.

I ACKNOWLEDGE RECEIPT OF THE PARTS AND LABOR LISTED

Estimate based on MOTOR CRASH ESTIMATING GUIDE and potentially other third party sources of data. Unless otherwise noted, (a) all items are derived from the Guide DR1GC21, CCC Data Date 02/09/2026, and potentially other third party sources of data; and (b) the parts presented are OEM-parts. OEM parts are manufactured by or for the vehicle's Original Equipment Manufacturer (OEM) according to OEM's specifications for U.S. distribution. OEM parts are available at OE/Vehicle dealerships or the specified supplier. OPT OEM (Optional OEM) or ALT OEM (Alternative OEM) parts are OEM parts that may be provided by or through alternate sources other than the OEM vehicle dealerships with discounted pricing. Asterisk (*) or Double Asterisk (**) indicates that the parts and/or labor data provided by third party sources of data may have been modified or may have come from an alternate data source. Tilde sign (~) items indicate MOTOR Not-Included Labor operations. The symbol (<>) indicates the refinish operation WILL NOT be performed as a separate procedure from the other panels in the estimate. Non-Original Equipment Manufacturer aftermarket parts are described as Non OEM, A/M or NAGS. Used parts are described as LKQ, RCY, or USED. Reconditioned parts are described as Recond. Recored parts are described as Recore. NAGS Part Numbers and Benchmark Prices are provided by National Auto Glass Specifications. Labor operation times listed on the line with the NAGS information are MOTOR suggested labor operation times. NAGS labor operation times are not included. Pound sign (#) items indicate manual entries.

Some 2024 vehicles contain minor changes from the previous year. For those vehicles, prior to receiving updated data from the vehicle manufacturer, labor and parts data from the previous year may be used. The CCC ONE estimator has a list of applicable vehicles. Parts numbers and prices should be confirmed with the local dealership.

The following is a list of additional abbreviations or symbols that may be used to describe work to be done or parts to be repaired or replaced:

SYMBOLS FOLLOWING PART PRICE:
m=MOTOR Mechanical component. s=MOTOR Structural component. T=Miscellaneous Taxed charge category. X=Miscellaneous Non-Taxed charge category.

Building an additional salt house for dry storage & capacity. During winter inclement weather events we do not have the capacity to store the proper amount of dry materials to keep us running throughout a full multi-day event or multiple back to back events. This will give us an additional 600 tons of storage capacity. Salt house may also serve as dry storage for topsoil during off season. Multiple quotes have been obtained and are attached. Salt house will be warrantied and insured. AR Quality Homes has given us the lowest quote.

Reason/Justification for the Adjustment: (Attach any supporting documents)
This project will extend water/sewer services along the parkway. This will benefit the future fire station site, and the current/future development that is in that area. The water line project is a cost-share between contractor and City (even 50/50 split) to honor an agreement. Two quotes were received for both water and sewer projects. This will allow for more secure fire flow in the area, better pressure for the entire area, and accessible sewer services with added capacity. Due to the upgrade in capacity and pressure, this project qualifies for the use of Impact Fee monies to be used. This is a forward thinking project, and it is a responsible way to ensure impact fees are spent on projects that grow the city.

Robin,

I would like to thank you and your partners for considering Bryant as the community to grow your business and choosing to invest in our city.

After speaking with my staff, I understand that there are particular challenges your property has encountered during the development process that are a bit out of the ordinary due to the construction of Bryant Parkway. The city would like to find a way to support this development as you navigate through these issues.

At this time, I believe we can best do that by assisting with the utility work on the proposed GenWealth site location located on Bryant Parkway. While I can not commit today to the entire scope of that assistance, I do feel comfortable in laying out the following perimeters as we work to solidify the details.

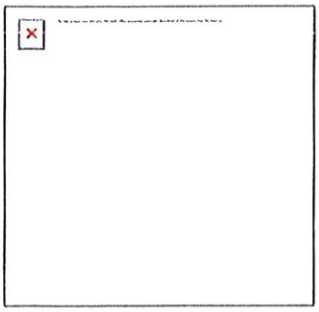

- Providing materials
- needed for the lowering of the waterline and relocation of the existing water hydrant.
- Evaluate and possibly
- supply materials needed for the completion of the sanitary sewer.

I understand this letter may not make the full commitment you were hoping for; however, I hope it will serve as a promissory arrangement between the city and Genwealth as we continue to work through this project's particulars.

City of Bryant Local History

The City of Bryant began when European settlers established themselves along Hurricane Creek in the early nineteenth century, along the route of the Cairo and Fulton Railroad. Over the years, the city saw times of economic struggle, but as the demand for the area's bauxite grew during the WWII era, development and a steady slow growth began. Since then, the economic landscape of the city has seen many changes, as Bryant evolved from a typical railroad community, into one focused on family, education and quality of life for its residents.

Once a small industrial town, Bryant is now the fastest-growing city in Central Arkansas. With a public education system deemed one of the best in the state, as well as proximity to the state's capital of Little Rock, Bryant has more than doubledin population size over the past two decades. A stable and diversified business community, as well as a high demand real-estate market, now makes Bryant a much sought-after community for both entrepreneurs and families.

Withthe backbone of Bryant being its competitive spirit, organized youth and adult sports have thrived here.Quality of life for residents a focus of Bryant's growth plan over the years;therefore,the city and school have created joint partnerships to ensure the best use of citizen taxpayer moneyfor investmentback into the community. This has allowed both entities to offer a multitude of sports and educational opportunities to local residents. One such opportunity, the creation of Bishop Park in 2010, allowed many local sports organizations to develop and grow, thus creating a robust sports tourism trade for the city. Bryant now hosts numerous sporting events for all ages, including baseball, softball, swimming, soccer, football, disc golf, pickleball, tennis, basketball, and lacrosse.

In addition to sporting opportunities, community events are also important toresidents, connecting newcomers to the city to the many traditions that have been a longstanding part of the community. The Bryant Fallfest Celebration, hosted by the local Chamber of Commerce, is entering itsthirty-seventhyear and is well-attended by locals and visitors alike. Also, the city has recently recreated the Fourth of July celebrations from years ago, and is now planning the fifth annual Pops in the Park event.

However, the largest event for this area is the annual "Salt Bowl" Competition. This competition, normally held in Augustor September, is the most attended high school football game in Arkansas. During this battle for the title of Salt Bowl Champion, Bryant takes on its neighbor to the west, Benton. With a normal attendance of over thirty thousand fans, this long-standing rivalry extends past the football field;in fact, the weeks leadingto the game will include competitive food drives between the two cities, including the schools and residents. Local businesses, community sponsors, churches and other organizations also find a way to join in on the friendly community-wide rivalry.

Economic development and growth in Bryant have held strong through many market challenges. This is mostly due to the comprehensive business make-up of the city. The Bryant School District along with the city government itself are the city's largest employers. There were 712 business licenses re-issued with another 141 new licenses requested in 2025(not all store front). Local industry is varied and the myriad of retail, healthcare, restaurants, financial services, and other entrepreneurial opportunities offers stability to the city's economic development. With Bryant's residential growth still climbing, there isstill much opportunity for commercial growth in the city.

In 2021, Bryant saw the opening of the Arkansas Heart Hospital's Encore Medical Center. This four-story building is a general acute hospital care facility with a focus on bariatric surgery and peripheral vascular disease. It also features a full-service emergency department, restaurant and medical offices, bringing an additional two hundred jobs to the local healthcare industry.

Arkansas's local economies are commonly supported by sales tax,includingthe statewide sales tax of 6.5%. In Bryant, another 3% is collected and used by the city,making up approximately 75% of the general fund income. I hope you enjoyed this brief Local History on the City of Bryant. Please continue reading to see how we plan to use the resources granted to us by the citizens for the calendar year of 2026.

As I head into my third year in office, I've had several themes in mind for 2026. These themes will guide our decision-making and improve our efforts to serve the residents of the town I love.

Fiscally Responsible and Accountable

Sound financial management is the bedrock of a thriving city. We are committed to careful stewardship of taxpayer dollars, ensuring every investment delivers maximum value for our residents. This means prioritizing essential services, seeking innovative solutions, and maintaining strong financial health for the long term.

In 2026, we will continue to implement the insights gained from our long-range financial planning, making prudent decisions regarding reserves and debt. Our new Cash Reserve Policy, designed to set aside funds for large-scale projects and equipment replacement, will be a key tool in this effort. We will also continue to prioritize transparent reporting of our financial activities, making it easier for residents to understand how their tax dollars are being utilized. Our goal is to ensure Bryant remains a fiscally sound city, prepared for both present needs and future opportunities.

Community-Focused and Engaged

Bryant is more than just a place; it's a community built on strong relationships and shared aspirations. My team and I are dedicated to fostering an environment where every resident feels heard, valued, and empowered to contribute to our collective success. We believe in active listening and creating opportunities for meaningful engagement.

Crucial to this effort is our Bryant 2050: Building Today for a Better Tomorrow community engagement effort. As part of this effort, we will explore new ways to connect with diverse groups within our city, ensuring that all voices are represented in our decision-making process. Our "We AR Bryant" social media campaign will continue to highlight the incredible spirit and quality of life in our city, encouraging community pride and participation.

Innovative and Adaptable

The world is constantly evolving, and so must our city. To remain competitive and continue providing excellent services, we must embrace innovation and be adaptable to change. This means exploring new technologies, adopting best practices, and being open to new ideas that can improve efficiency and enhance the quality of life in Bryant.

In 2026, we will continue to leverage technology to streamline city operations and improve resident services. This includes working to increase access for our residents through the city website and interactions, making city information and services more accessible to everyone. We will also foster a culture of continuous improvement within city departments, encouraging our staff to identify and implement creative solutions to emerging challenges.

Respectful and Responsive

We are committed to creating a city where everyone feels respected, valued, and has the opportunity to thrive. This means fostering an inclusive environment, celebrating our differences, and ensuring that city services and opportunities are accessible to all residents, regardless of their background.

In 2026, we will continue our efforts to ensure that all residents have equitable access to city information and resources. We will also focus on fostering positive relationships within our community, promoting understanding and collaboration among all groups. Our goal is to build a Bryant where every individual feels a sense of belonging and has the chance to contribute to our shared future.

Mayor Chris Treat, 11/7/25

City of Bryant Letter of Transmittal

Dear Citizens of Bryant,

The annual construction of a budget for the upcoming year is important to your community on many levels. First it creates a road map and a mission for how your city government will utilize the resources allotted to them through sales tax, franchise fees, utility rates, fines, as well as permits. This roadmap is then set into place to create, and ultimately fulfill, a long-term vision for the city.

Working with Chris Treat as Mayor over the past yearhas been excellent. He has lived in Bryant his whole lDifeea ar nd worked for the city for the past eight years as Parks Director so he brings a different perspective to being Mayor. He hascontinued to place greater emphasis on not just the short term budget process but long term planning as well. The Finance team is excited to look at our old Focus Areas more now as a Strategic Plan. These four areas of emphasis are where we have traditionally focused our budgeting dollars year to year but with Treat's emphasis on the long term we are able to better articulate how these areas can be improved and strengthened year over year as well.

The Finance Team attended Fall fest again this year on Saturday Oct 4th. This yearthere was not a separate finance/budgeting survey to ask citizens to complete, instead the finance department is gathering data from the Streets Comprehensive plan survey and the City Wide Comprehensive Plan work with Crafton and Tull.

It is the desire of the council and city employees to continue a proactive stance toward our city's growth and avoid being reactive when possible. To do this takes very deliberate action, which begins with good policy and long-term planning. This planning is then implemented one year at a time. The city currently has long-term plans for some departments like water, wastewater, parks and stormwater but not for all departments. The city is continuing to work towards this goal of a long-term plan for each department and to update old plans. Seeplans for Water , Wastewater and Parks as Appendices to this document.

As we work to achieve our vision, many goals are set. One of the most important of these is **public safety**. Keeping our citizens and visitors safe while in our community is imperative to the healthy growth of Bryant.

The administration of public safety for the city is implemented by way of several departments, including Police, Fire, Courts, Public Works and Animal Control. As you read this document, you will find that much of our allotted resources (funding) are consumed by our Public Safety Departments.

From the more obvious safety and community response actions that our police, fire and animal control perform to the behind the scenes work of the public works staff ensuring our local water quality is meeting all standards keeping our community healthy is a main priority. Another high safety priority is stormwater management. During 2025 a Funding Committee was formed with citizen input and 2 Council members to determine future funding sources for our public safety issues. The Committee recommends asking the voters to increase sales tax to fund the needed increases related to public safety. Crafton and Tull will also ask the citizens about this as they survey related to our City Wide Comprehensive Growth Plan.

It is no secret that as Bryant has grown, so have its traffic concerns. Traffic congestion is frustrating, bad for businesses, and diminishing to a good quality of life. We devote substantial resources to creating a **well-connected community**, again, part of our long-term planning process. Every year, we work to improve our pedestrian and cycling infrastructure, focusing first on connecting our parks, neighborhoods and schools. Many of these improvements are funded through grants that the city applies for in conjunction with city resources. In 2013, Bryant implemented a complete street policy. This policy ensures that as Bryant grows, new developments that will affect our city sidewalk and road infrastructure share in the cost of that impact. By implementing this policy, the city will have to spend less tax revenue on building infrastructure in these areas and can reallocate that money for other much-needed uses within the city.

During 2024one of the Finance Coordinators applied for the Purchasing Manager position. During 2 0 A2s5 the Finance Department has built this position out and it has more than paid for itself within the first year. Additionaly the other Finance coordinator has had expanded duties and will now serve as an Accounting Manager These are examplesof **smart growth**. Smart Growth is one of our four focus areas as well.

Finally, the last significant focus area to be mentioned here is the **health and quality of life**for the citizens and visitors to Bryant. All departments contribute to this goal in one way or another, but the department whole sole focus of this goal is Bryant Parks and Recreation. As Bryant has grown, it has struggled to balance its growth with the desires of those living in our community. There is no doubt that the parks and recreation department has felt this struggle the most. Often, when budget time rolled around Parks was looked upon as a want versus a need. It has received cutbacks in areas that did not allow the employees of that department to deliver the level of services desired by citizens and visitors. This budget season for 2026 is no different in this respect. However it is different in that the former Directorof Parks became the Mayor in March of 2024 and he has worked closely with the Parks Department to help them secure funding. One of the changes that should help Parks is the Implementation of a Reserve plan that will hopefully reward the Dept Directors for good planning of their future capital needs.

Personnel costs make up the largest percentage category for the general fund each year. Therefore, it makes sense that each year a lot of discussion during budget time is devoted to personnel items. Each year the Council reviews an outsourced study of payroll and its recommendations along with the budget. A section of this document typically explores this study's recommendations in detail along with a five-year comparison of personnel numbers.Council is aware of other increases to payroll in surrounding communities soendeavors to close the gap between surrounding areas payroll have been undertaken this year as well.Inthis document isan individual merit increase of up to a max of 3%.We are hoping this will help to bridge that difference in2026. Additionally during October2025 the Arkansas Municipal League informed the city that there would be an overall increase in the city's health insurance costs. Because the cost of living adjustment had already been removed from the budget administration cut other lines in an attempt to not pass along these increases to the employees. A list of items cut to balance has been given to council so that if directors can not operate without these items it will be noted they had originally requested them.

With growth comes opportunities, change, and challenges. Council, the Mayor and city employees look forward to 2026 and the continued service to you and this community. We are committed to ensuring at all times we are finding creative ways to make the most of the resources you have entrusted to us. We hope you find the following pages breaking down the budget process, department accomplishments, goals, performance measures and accompanying resources to your satisfaction, and that we are being the best stewards possible with the revenues we receive to operate the City of Bryant.

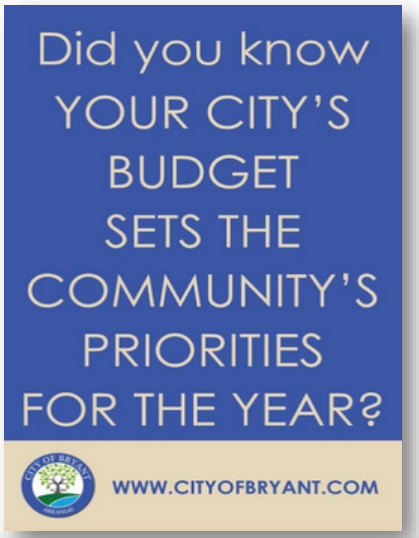

Sincerely, Joy Black

Adding Transparency to the Budget Process

The Finance Department attended Fall fest along with several other citydepartments on October 4, 2025. The Finance Department spoke to several citizens about the budget and budget process. This year the Finance Department teamed up with the other departments on one joint survey.

Process,Timeline and Basis for Budgeting

The City of Bryant's audited financialstatements follow the accrualmethod, while its budget is prepared using the modified accrual method. The primary difference between these methods, particularly for the City of Bryant, is the treatment of capital assets. In the budget, capital assets are recorded as expenses requiring Council approval and are categorized under the 58XX series of accounts. However, in the audited financial statements, these expenses—along with applicable debt principal and interest payments—are adjusted and reflected in the balance sheet. For these reasons this budget document is not prepared in the same manner as the AnnualComprehensive Financial Report. This budget document is used as a management tool for projecting and measuring revenues and expenses.

The City of Bryant typically begins constructing its budget for the upcoming year in August or September of the previous year. The Finance Director and Mayor meet with Department Heads to identify any significant anticipated changes from one year to the next. The Finance Director then opens a draft budget in the city's financial software and requests that Department Heads input their budget proposals.

Once all department budgets are submitted, the Finance Director compiles the information into a draft booklet for review by the Mayor and Department Heads. After reviewing and making necessary adjustments, a final draft is presented to the City Council, usually at the last Council meeting of the year, for adoption.

TheCouncil approves the budget by revenueand expense categoriesfor major funds by department. Changes on thislevel are required to come back to Council as well.

However, within the same category and department, small adjustments can be made with the approval of the Finance Director and the Department Head.At times department heads bring changes with in a category as well for transparency.

Arkansas

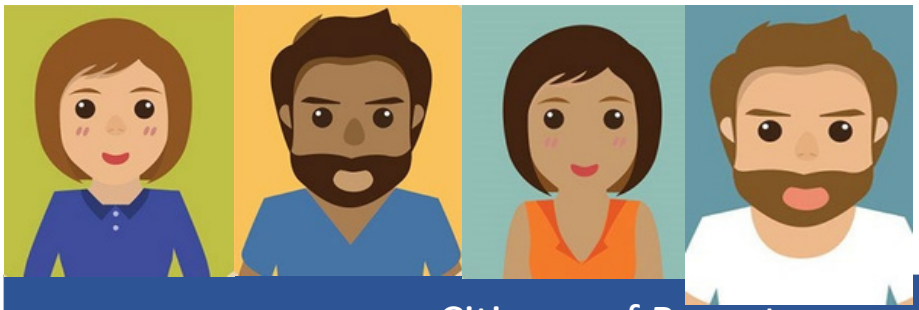

For the Fiscal Year Beginning

January 01, 2025

Christopher P. Morrill

Executive Director

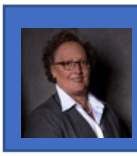

Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Bryant, Arkansas, for its Annual Budget for the fiscal year beginning January 1, 2025. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communicative device. This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

The City of Bryant have put in place several policies to promote compliance and integrity in accordance to Arkansas Code annotated.

As a municipality, the City of Bryant has an established system of internal control that provides reasonable assurance that objectives have been achieved in 1) the effectiveness and efficiency of operations, 2) the reliability of financial reporting and 3) compliance with applicable laws and regulations. The City of Bryant also has established an effective anti-fraud program that: 1) creates a culture of honesty, 2) evaluates the risks of fraud and implements the processes, procedures and controls needed to mitigate those risks and 3) develops an appropriate oversight process. It is the policy of the City of Bryant, to the extent that is reasonable, to conduct its contracting affairs in an open, competitive manner.

ACCOUNTING, AUDITING, PURCHASING AND FINANCIAL REPORTING CITY POLICIES

The City's accounting and financial reporting systems will be maintained in conformance with Generally Accepted Accounting Principles (GAAP) and the standards set by the Governmental Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA).
An independent public accounting firm will perform an annual audit. The auditor's opinion will be included with the City's published Annual Financial Reports.

The City's Budget should satisfy criteria as a financial and programmatic policy document, as a comprehensive financial plan, as an operations guide for all organizational units and as a communications device for all significant budgetary issues, trends and resources.

Monthly Reports shall be prepared and presented to the Bryant City Council on a timely basis.
A Purchasing Policy was adopted by Council along with the 2021 Budget Book by Resolution 2025 -04.

Balancing the budget - the state of Arkansas requires that a balanced budget be presented to Council by December 1st before the year of the budget proposed in State Statute 14-58-201.

Ordinance 2007-35 , ACA 14-58-303 and ACA 14-58-306, outlines that the Mayor may sell city assets not exceeding $6000 in fair market value without competitive bidding. The sale of city assets over $6000 in fair market value must be brought to council for disposal approval and recommendations.

Ordinance 2014-01 ACA 14-43-501 provides for organization of the City Council meetings and approval of the financial report from the previous month as a new business item at each monthly council meeting.

Ordinance 2021-26 ACA 19-1-505 outlines investments for municipal governments and creates an Investment Advisory Board to oversee and make recommendations regarding investments of monies regulated by the policy.

Ordinance 2022-18 ACA 14-59-105 establishes best practices for internal controls to make electronic fund disbursements of municipal funds.

DEBT MANAGEMENT CITY POLICIES

The City will seek to maintain and, if possible, improve its current bond rating in order to minimize borrowing costs and preserve access to credit. The City will encourage and maintain good relations with financial bond rating agencies and will follow a policy of full and open disclosure.

Every future bond issue proposal will be accompanied by an analysis showing how the new issue combined with current debt impacts the City's debt capacity and conformance with City debt policies.

Financing shall not exceed the useful life of the asset being acquired.

The City will not use long-term debt to finance current operations.

The general policy of the City is to fund capital projects (infrastructure) with new, dedicated streams of revenue or voter approved debt. Nonvoter approved debt may be utilized when a dedicated revenue source other than general revenue can be identified to pay debt service expenses.

Interest earnings on bond proceeds will be limited to: 1) funding the improvements specified in the authorizing bond ordinance; or 2) payment of debt service on the bonds.

Utility rates will be set to ensure debt service coverage exceeds the bond indenture requirement of 110%.

The City shall comply with the Internal Revenue Code Section 148 -Arbitrage Regulation for all tax-exempt debt issued.

Proceeds from debt will be used in accordance with the purpose of the debt issue. Funds remaining after the project is completed will be used in accordance with the provisions stated in the bond ordinance that authorized the issuance of the debt.

CAPITAL MANAGEMENT CITY POLICIES

A Capital Improvement Plan will be updated annually, including anticipated funding sources. Capital improvement projects are defined as infrastructure or equipment purchases or construction that results in a capitalized asset costing more than $5,000 and having a useful life (depreciable life) of two (2) years or more, per Resolution 2021-03.

Proposed capital projects will be reviewed by a cross-departmental team for accurate costing (design, capital, and operating), congruence with City objectives and prioritized by a set of deterministic criteria. Financing sources will be sought for the highest-ranking projects.

Capital improvement operating budget impacts will be coordinated with the development of the annual operating budget. Future operating, maintenance, and replacements costs will be considered.

Reserve Policy (Resolution 2025-50) The City of Bryant established a formal Reserve Policy to ensure long-term financial stability, maintain adequate cash flow, and provide protection against emergencies, revenue shortfalls, or unforeseen expenditures. The policy requires the City to maintain reserves in all major funds—General, Street, Stormwater, Water, and Wastewater—and to comply with all legal, ordinance, and bond covenant requirements. Three primary reserve categories were created: (1) a contingency reserve of $1,000,000 per major fund (totaling $5,000,000 citywide) to address economic downturns or disasters; (2) an operating reserve equal to at least 90 days of budgeted payroll to ensure liquidity and continuity of operations; and (3) a debt reserve sufficient to cover one full annual principal and interest payment for each debt issuance. If reserve levels fall below targets, the City must adopt a restoration plan within the annual budget. Excess reserves may be used for one-time expenditures, capital investments, debt reduction, employee benefits, or legally permitted interest-earning investments.

Travel and Training Policy (Resolution 2025-52)
The Travel and Training Policy outlines procedures for approving and reimbursing reasonable and necessary expenses incurred during official City business. Employees must submit a Travel/Training Expense Request Form at least two weeks prior to travel, including supervisory approval, supporting documentation, and estimated costs. Expenses must follow federally established GSA per-diem rates for meals and lodging, with travel days reimbursed at 75% of the daily rate. The policy encourages the most economical transportation method while balancing efficiency, allows reimbursement for personal vehicle use at the IRS mileage rate, and permits one checked airline bag. Short-term rental options such as Airbnb or VRBO are allowed when costs are equal to or below GSA lodging rates (or approved by a supervisor if higher). Departments must ensure travel is within approved budgets, and violations of the policy may require repayment or result in disciplinary action.

Credit Card Policy (Resolution 2025-53) The Credit Card Policy governs the issuance and use of City credit cards as a limited purchasing tool when the standard purchase order process is not practical, such as emergencies, time-sensitive transactions, or online purchases. Cards are issued only to authorized employees based on demonstrated need, with spending limits generally set at $2,500 unless justified otherwise. Cardholders must obtain prior approval for purchases, submit receipts within 24 hours of use (or after returning from travel), and provide complete supporting documentation to Finance for reconciliation. Cards must be used solely for official City business, maintained securely, and returned upon separation from employment. The policy details allowable expenses—such as travel-related costs, training materials, and approved operational purchases—and strictly prohibits personal expenses, cash advances, or transactions that violate purchasing or travel regulations. Online accounts used for purchases must be tied to City email accounts, and noncompliance may result in personal financial responsibility or disciplinary action.

In 2024 Mayor Chris Treat began work on several new plans, see a DRAFT of the proposed Annexation Plan on 2/14/25 below, nothing has changed regarding this as of 3/5/26.

A Proactive Approach to Annexation Benefiting the City of Bryant

The City of Bryant has long been, and will continue to be, a desirable place to live. However, as developable land within city limits becomes increasingly scarce, new development has been pushed beyond these boundaries. This expansion has led to the creation of several neighborhoods within the Bryant School District but outside the city limits. Over the years, this has resulted in a situation where the City provides essential services to these areas without receiving the corresponding sales tax or property tax revenue needed to fund those services. It's clear that the City is currently missing out on revenue that would significantly offset the costs of the services we are already providing to these neighborhoods.

To address this issue, we intend to implement a proactive annexation plan designed to gradually reverse this trend. Our goal is to annex both existing and future developments that impact city costs, ensuring that the City recoups the expenses associated with these developments.

Our plan will focus on three key areas:
1. **Established Neighborhoods**: acknowledging areas that are already developed and receiving city services but not paying property or sales tax to the City of Bryant.
2. **Neighborhoods in Early Development Stages**: Identifying and annexing neighborhoods that are still in the initial phases of development. Allowing the city to benefit from the substantial sales tax on construction material and provide more quality control requiring these developments to pass city inspection.
3. **Undeveloped Land Likely to be Developed Soon**: Proactively annexing land that is expected to be developed in the near future. Allowing for better comprehensive and streamlined planning for smart growth.

This strategic approach will help ensure that the City of Bryant can continue to thrive while maintaining the quality of services our residents expect and deserve.

The City of Bryant is committed to communicating with the residents about this annexation plan every step of the way.

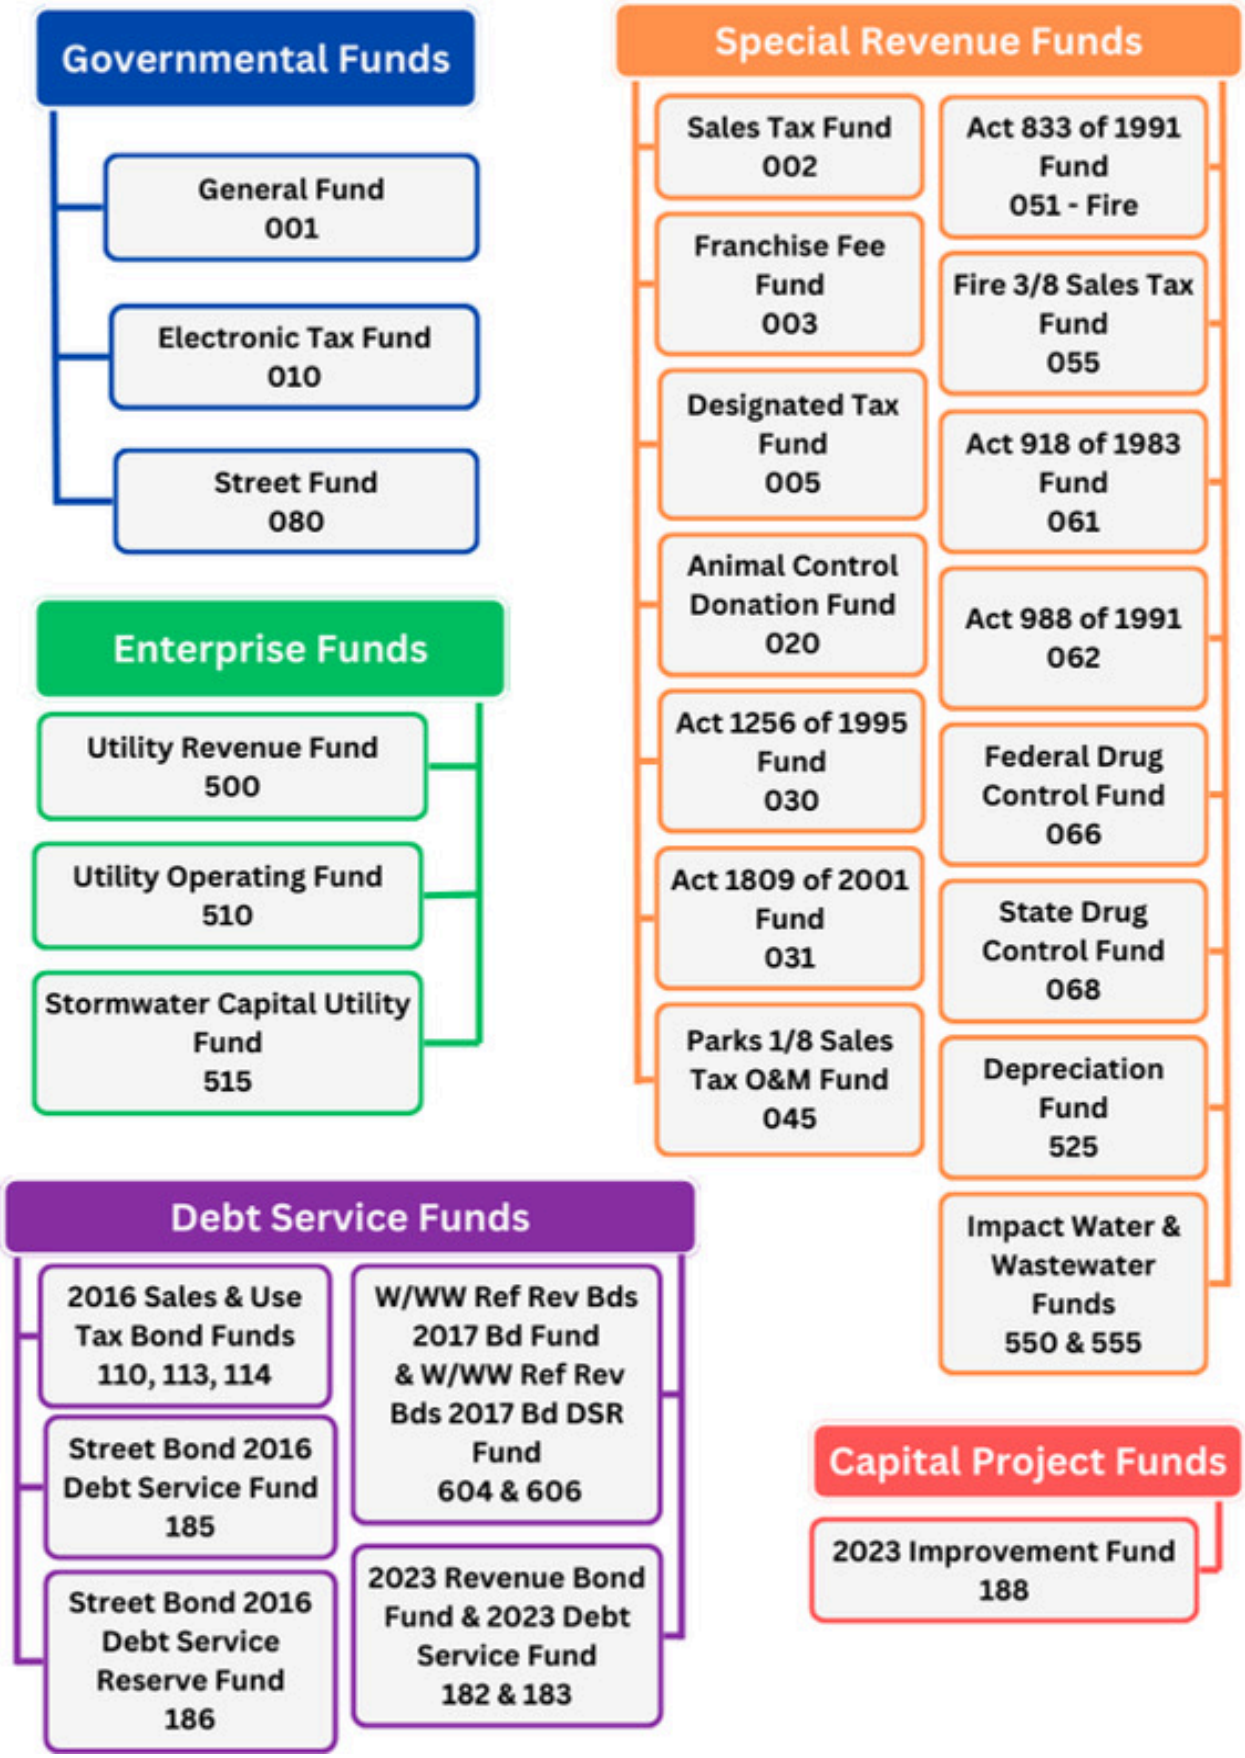

(1) Currently there exists over 1200 homes that lie within the Northern Extraterritorial Jurisdiction but outside the City Limits with another 4000 future homes possible. Extraterritorial jurisdiction (ETJ) refers to a designated area one mile outside of a city's incorporated boundaries where the city has limited regulatory authority. It's a buffer zone that allows a city to extend its influence beyond its corporate limits for future growth and development. Anticipated property tax for 1200 homes is estimated to be $160 per home for a total annual revenue of $192,000. 5000 homes would be $800,000. American households spend on average approximately $9500 annual on online purchases. At a 3% sales tax rate, 1200 homes would generate $342,000 sales tax annually, whereas 5000 homes would generate $1,425,000 annually. New construction sales tax on materials for homes is estimated at $5,500 per home.

(2) Public safety operates a mutual and automatic aid agreement with the County in the ETJ. Parks are also used heavily by county residents closest to the city limits. The city department that does not currently service these areas in any way is the Street Department - taking on these additional streets will provide issues for the street fund.

A sample of how these items might affect a four person family living in a $200,000 house is shown below:

3% increase to on line sales	$285	
Reduction to Sewer bill	($360)	
Millage increase	$160	
Reduction in Home Insurance	-100	(on avg. homeowners save $200-$300 with Class 1 ISO rating vs. a class 2)
Total	($15)	

FUND STRUCTURE ORGANIZATION CHART

Governmental Funds

General Fund (001) is the city's primary operating fund. It accounts for all financial resources of the general government except those required to be accounted for in another fund.

Electronic Tax Fund (010) is used to house payroll associated liabilities and sales taxes as they come in from the state. Any fund leftover in this fund over a period belong to another entity such as the state, county, employees, etc. This fund merely serves as a clearing fund.

Street Fund (080) is a special revenue fund to account for all activities associated with maintaining and constructing streets. Arkansas statutes that provide funding for street and drainage projects require that these activities be accounted for separately. The Street fund is financed by state turnback funds, and a portion of a state-wide 1/2 cent sales tax approved by the voters in July 2013.

Enterprise Funds

Utility Revenue Fund (500) is used to account for activities associated with collecting the revenues of water, wastewater, and stormwater via the monthly bill collections and the treatment and distribution of drinkable water to customers in department 0900.

Utility Operating Fund (510) is used to account for activities associated with collecting, treating, and disposing sewage from customers in department 0950.

Stormwater Utility Fund (515) is used to account for activities associated with completing major capital stormwater projects.

Debt Service Funds

2016 Sales & Use Tax Bond Funds (110, 113, 114) These bonds were obtained to fund two Fire Stations, several Parks Projects and the Street connection from I30 to the Airport.

Street Bond 2016 Debt Service Fund (185) These bond funds were refunded in 2016 and the proceeds used to fund the on off ramp connecting I30 to the Street discussed above connecting I30 to the Airport and providing traffic relief along Reynolds Road.

Street Bond 2016 Debt Service Reserve Fund (186) is the Debt Bond Requirement for the 2016 Franchise Fee Funded Bonds.

W/WW Ref Rev Bds 2017 Bond Fund and W/WW Ref Rev Bond Debt Service Revenue Fund (604 & 606) hold money associated with the 2017 Water/Wastewater Revenue Bonds - These bonds have been refunded and used several times to fund various Water and Wastewater infrastructure needs.

The 2023 Revenue Bond Fund (182) is used to pay the bond to the Trustee Regions & the 2023 Debt Service Fund (183) is the Debt Bond requirement to support the 2023 Bond issuance.

Capital Project Funds

2023 Improvement Fund (188) were designated to be spent within three years of the 2023 Sales & Use Bond for the second half to the Parkway.

Special Revenue Funds

Sales Tax Fund (002) is where the initial deposits of sales tax collections from the state before being distributed to other funds. For audit purposes it is shown with the General Fund (001).

Franchise Fees (003) is where the initial deposit of franchise fees collected from utility companies before being distributed to other funds. For audit purposes, it is shown with the General Fund (001).

Designated Tax Fund (005) Bryant Ordinance no. 1996-08 (March 25, 1996) provided for the levy of a one cent sales and use tax for the purpose of street improvements (30%), fire department (25%), police department (25%), city parks (10%), and animal control (10%)

Animal Control Donation (020) Bryant City Code 6.12.01 (2013) via Ordinance 2011-24 established fund to receive donations for the animal control department to be used for any purpose reasonably related to the care, custody, and control of animals secured by the department including training, education, and assistance.

Act 1256 of 1995 (030) Administration of Justice Fund - ACA 16-10-308 established that cities would receive a share of the uniform court costs and filing fees levied by the state law. These may be used to defray a part of the expenses of the administration of justice in the City. These funds are kept and spent from this fund.

Act 1809 of 2001 (031) District Court Automation Fund ACA 16-13-704 established that 1/2 of $5 per month on each person in the court could only be used for court-related technology. These funds are kept and spent from this fund.

Park 1/8 Sales Tax O & M (045) Bryant City Code 12.32.01 (2013) levied a .125% sales and use tax to be used to acquire, construct, improve, expand, equip, furnish, operate and maintain new or existing park and recreational facilities, including parking, landscaping, signage, lighting, concession, road and utility improvements, and to pay and secure the repayment of park and recreational bonds.

Act 833 of 1991 (051) Fire Equipment and Training fund is used to account for specific revenues per ACA 14-284-403, 404 which requires insurance premium tax funds to be distributed by the County to municipal fire departments for training, purchase and improvement of fire fighting equipment, initial capital construction or improvements of fire departments, insurance for buildings and utilities costs.

Fire 3/8 Sales Tax (055) Bryant City Code 2.36.07 (2013) levied a .375% sales and use tax to be used to operate and maintain; acquire apparatus and equipment, acquire, construct, improve, and expand facilities; to pay and secure repayment of fire department bonds

Act 918 of 1983 (061) ACA 12-41-701 established the ability of cities to receive a portion of fines and penalties from the Courts to be used for law enforcement purposes. These funds are kept and spent from this fund.

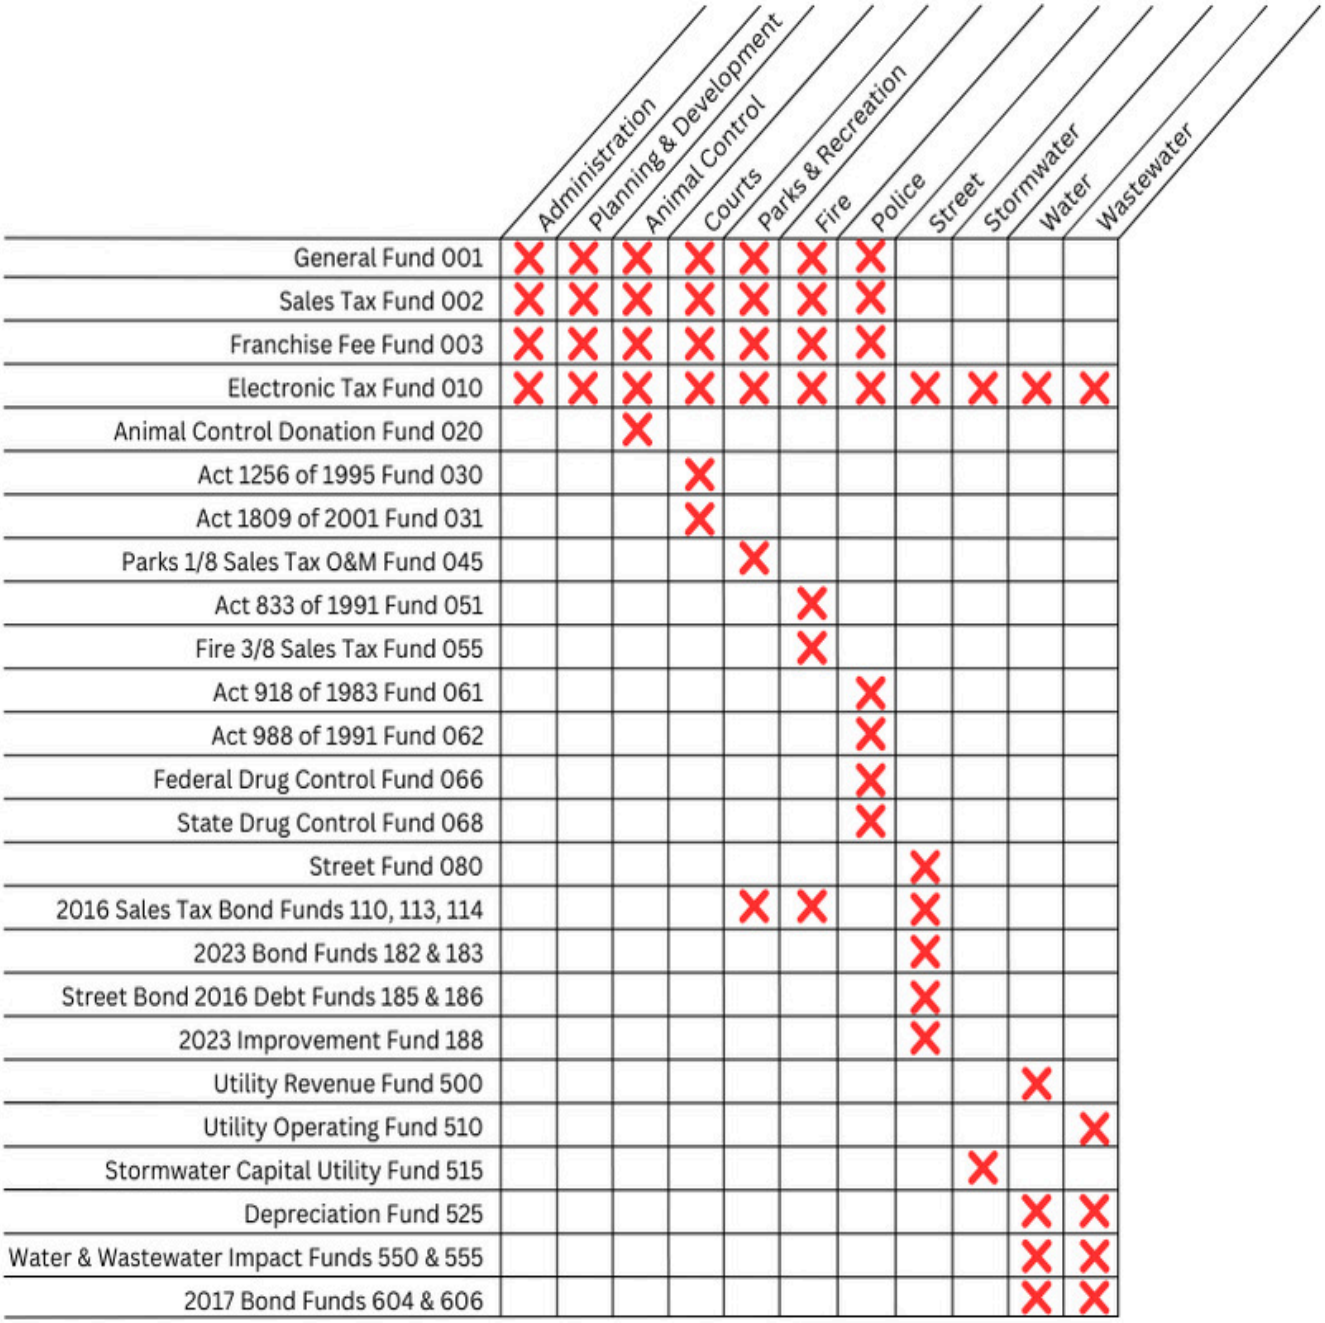

Act 988 of 1991 (062) ACA 27-22-103 established the ability of cities to receive the fine for citizens who fail to insure their motor vehicles and use those fines for the purchase and maintenance of rescue, emergency medical, and law enforcement vehicles, communication equipment, animals owned or used by law enforcement agencies, life saving medical apparatus, and law enforcement apparatus. These funds are kept and spent from this fund.

Federal Drug Control (066) and State Drug Control (068) established that asset forfeitures resulting from drug offense cases should go to the arresting agency. These revenues shall only be used for law enforcement purposes.

Depreciation WW (525) holds money set aside each month by the Customer Service Management Group per the Bond Debt Covenants.

Impact Water and Wastewater Funds (550 & 555) holds money collected by Code Enforcement as well approximately $600 collected for Water and $500 for Wastewater.

Each month the City receives 3% of sales tax back from the State of Arkansas. This 3% is mandated by the Citizens via vote to be spent on the following listed categories. You can see from the charts above and below what a large percentage Sales Taxes make up of the overall total Revenues for the General Fund.

The chart below shows how the 3% sales tax above is allocated and budgeted for 2025.

Plans for Fund Balances for the three major funds (General, Street, and Water/Wastewater) are shown above and on the Focus Area page 15. The City completed several projects in 2025. However, a few projects for both Street and Water/Wastewater were carried over via Purchase Order Encumbrances so separately adopted by Council and not in this budget. Any planned dipping into Fund Balances is the result of Capital Plans. Street adopted capital plans for $90,000 in this budget and Water/Wastewater adopted plans for $1,213,287,000/ (plus $1,316,458 of depreciation expense as well). Note further that some one time capital projects will be requested out of General Fund savings separately from this budget document.

CityWide RevenueOverview

GFOA recommends long-range operating financial plans to help cities identifytrends and potential impacts.The followingGeneral Fund Forecast and City Wide Revenue Review pages attempt to address this recommendation. The next page is a forecast of the General Fund through 2030 based off a look back to 2022. The city took the historical averages of increases over the last three years and used these to forecast out the next five years. The outcome is what was expected -i.e. the city 's expenses are outpacing its revenues. For the past several years the Finance Department has been advising the Mayor and Council that revenue sources need to be diversified and increased. With the new Mayor entering office in March of 2024 he began to work on this issue and has encouraged the Finance department to include the next page after the forecast. This page is a review of the revenues sources and amounts over the past decade and a list of the possible other areas/ ways to increase revenues over the next three to five years.

Note further on 2/13/25 that Council voted to ask the citizens in a general election about paying off the 2016 debt and extending the sales and use tax to fund an entertainment venue. This in theory would increase economic development and increase associated revenues such as sales tax, property tax and franchise fees, etc.

This motion/election failed and the current status is no definitive plan to deal with anticipated revenue shortfalls. The Mayor is hoping to discover what voters will support via the work on the Comprehensive Plan in 2026.

City of Bryant Revenue Sources & Financial Considerations

Sales Tax

Like many cities in Arkansas, Bryant relies heavily on sales tax revenue to fund its general and street operations. Property values and corresponding millage rates in the state are significantly lower than the national average, which presents financial challenges.

One major issue with this dependence on sales tax is its unpredictability. Sales tax revenue fluctuates with both local and national economic conditions, making it difficult to forecast on an annual basis.

While the current city administration has no plans to increase the overall sales tax rate, it is considering reallocating theexisting tax revenue. Currently, 1% of sales tax revenue is undesignated, while 3/8 of another 1% is allocated to the Fire Department—without a similar designation for the Police Department. The administration is exploring the possibility of putting a proposal to the voters to modify these allocations, reducing the undesignated portion and increasing the funding specifically for the Police Department to better alignwith community priorities.

For more details, see the**Focus Areas**on**page 15**of this document.

Fees

The second-largest revenue source for the general fund comes from various city fees. Each year, the city includes an appendix listing these fees to assist department heads in their annual review. This year's fee schedule can be found on**pages 94-96**.

Bryant continuously reviews fee structures in surrounding cities to ensure its rates remain competitive while covering associated costs where possible.

Millage Rate

City management hopes to present a proposal to the City Council for adding a**dedicated mill**for Fire and Police pensions. Combined with the proposed adjustments to sales tax allocations, this would create a more sustainable funding structure for public safety—an area that citizens have identified as a top priority.

Arkansas law allows cities to allocate**1 mill**for Fire and Police Pensions without requiring a public vote. This could generate approximately**$415,000**in revenue, which, while not covering the full**$1.2 million**in pension costs, would help offset expenses and free up funds for much-needed facility maintenance.

State Turnback Funds

The city receives**monthly state turnback funds**, with allocations based on population counts. One way to increase this revenue stream is through annexation, as higher population numbers translate into greater state funding.

Stormwater Rates

One of the most pressing revenue challenges involves funding stormwater repairs and maintenance. As an**Enterprise Fund**item, stormwater revenue is not included in the general fund.

The city completed a**Stormwater Feasibility Study**. The study shows that the city's current flat stormwater rates—**$3.00 for residential properties**and**$6.00 for commercial properties**—are insufficient to meet the city's stormwater infrastructure needs.

Many cities across the U.S. base stormwater fees on**permeable surface area**, ensuring a more equitable distribution of costs. If Bryant adopts a similar model, it would provide a long-term funding solution for stormwater maintenance, education, and improvements. Historically, these projects have been funded through a mix of fees, grants, and**ARPA funds**, but a sustainable revenue stream is needed moving forward.

Annexation

Shortly after taking office,**Mayor Treat**initiated discussions with committee and council members regarding an**official City Annexation Policy**. Since Bryant is bordered by**Benton (west)**and**Alexander (east)**, most future annexation opportunities lie**to the north**—with limited expansion potential to the south due to the proximity of**Bauxite**.

The city is considering strategic annexation efforts as outlined in the**Economic Forecast**on**page 32**. While annexation often results in short-term financial losses, long-term revenue growth occurs in two key areas:

Initial Development Phase–Revenue from building supplies and new neighborhood construction

Population Growth–Higher census counts increase**State Turnback**allocations

The goal is to expand the city's borders to**align more closely with the Bryant School District boundaries**. Many families in these areas already feel connected to Bryant and utilize city services, including**fire and police protection, parks, senior centers, and youth programs**. However, without annexation, the city does not receive the necessary revenue to support these services.

For more details, see the**Annexation Policy Draft**on**page 24**.

Advertising & Promotion (A&P) Tax

Bryant previously had an**A&P tax**in**2018-2019**, but it was discontinued—a decision that the administration and finance department believe reduced revenue diversification.

During its implementation, the A&P tax helped maintain city parks and fund community activities for**two years**. Surrounding cities continue to collect A&P taxes, which, under Arkansas law, can only be used to fund**parks and city advertising**. The tax is typically applied at**up to 4% on prepared food and hotel stays**.

The administration plans to**reintroduce the A&P tax proposal**for a public vote during the**May 2027 Special Election**. The goal is to educate residents on how these funds can enhance city services—while much of the tax revenue would come from visitors traveling along the**Highway 130 corridor**.

Impact Fees

The city is conducting a**comprehensive review of impact fees in 2025 and 2026**.

Impact fees are assessed on**new developments**to help fund increased services resulting from growth. These fees could potentially provide funding for**Fire, Police, Animal Control**, and other essential services. A study was initiated in**2024**, with findings expected to be shared with the**City Council and residents in 2026**.

Grants & Other Funding Sources

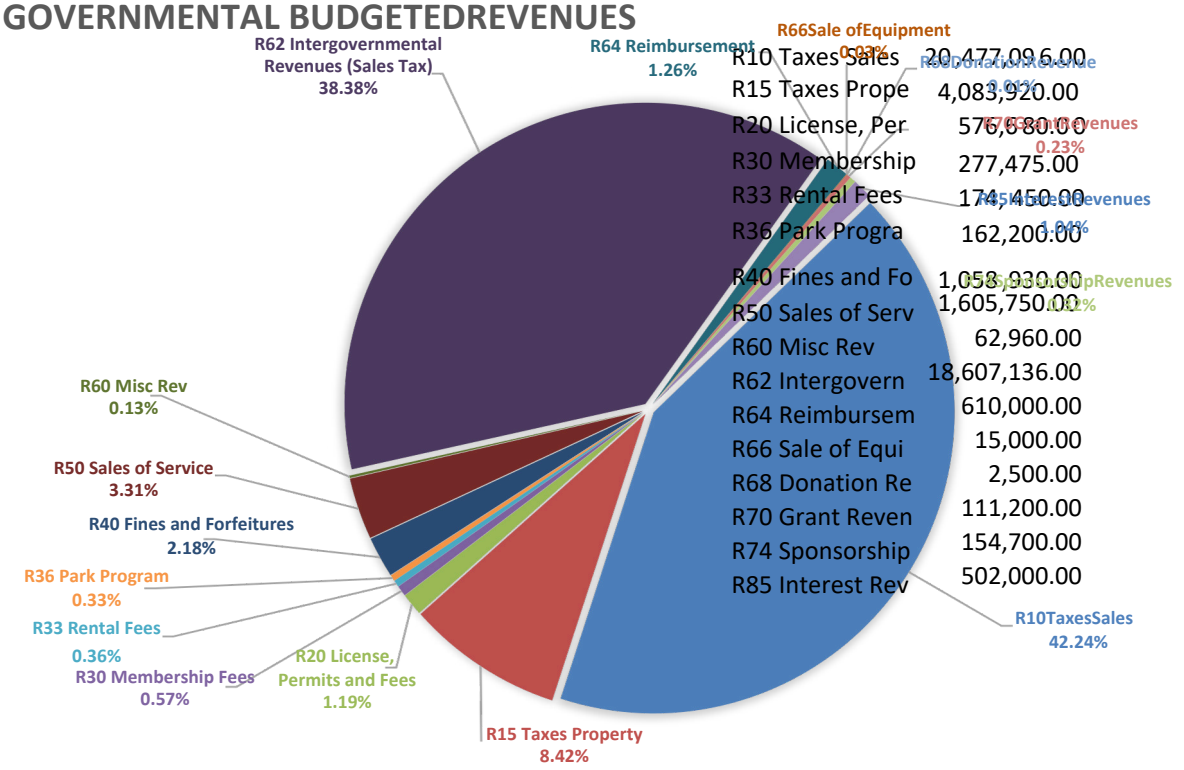

(See**pages 36-37**for detailed grant information.)

In recent years, Bryant has been fortunate to secure**$7 million in Metroplan grants**for completing**the Parkway**and**$4.3 million in ARPA funds**for**water, wastewater, and stormwater projects**.

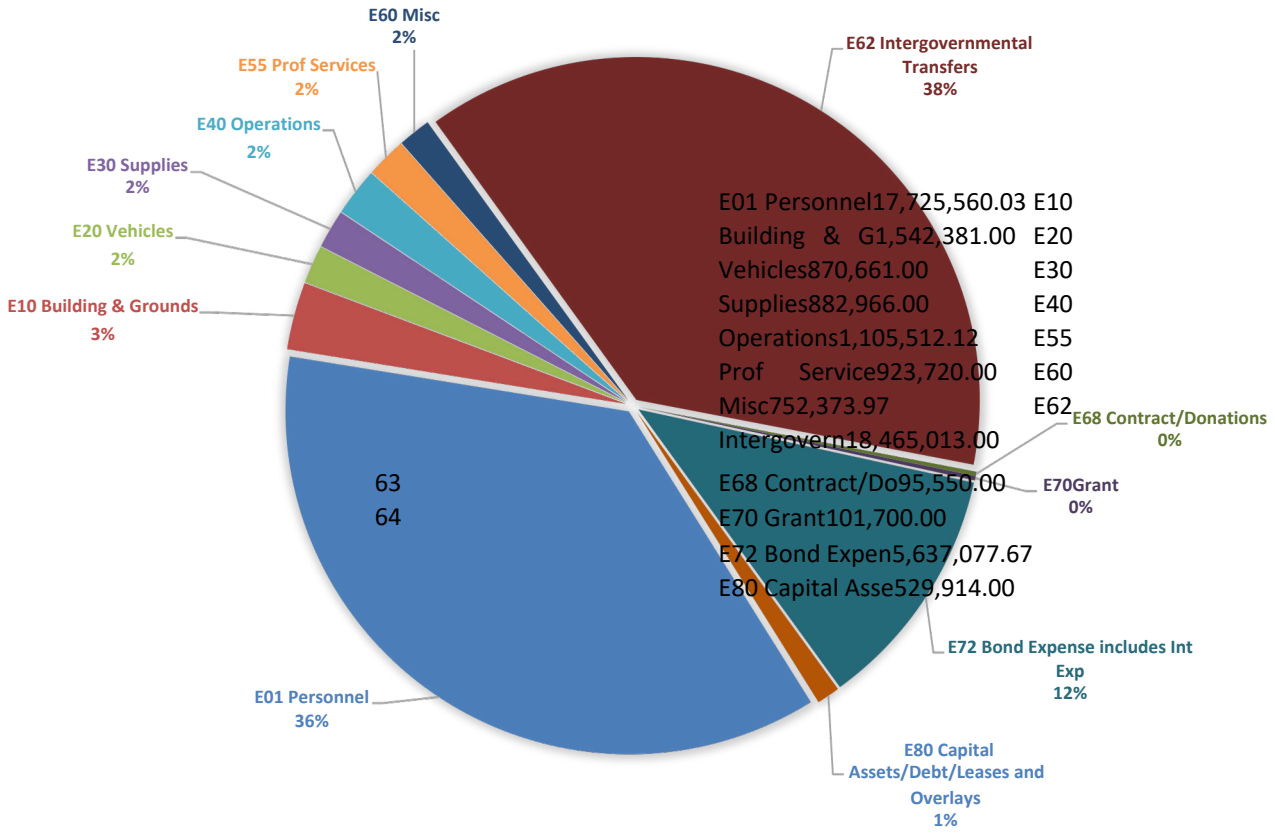

However, as these grant-funded projects wrap up, it will be increasingly important for the city to diversify and expand its revenue streams to meet the growing expectations of residents.

ALCOA TO MILLS PARK TRAIL

Awarded: $320,000 **Match: $80,000**

The Alcoa to Mills Park Trail project will create a 12-foot multi-use path linking Mills Park to Alcoa Park and the Bryant Parkway Trail. Running from Shobe Road to Mills Park Road, this connection enhances recreational and transportation access. The Metroplan TAP grant was awarded to cover construction cost overruns.

CITY OF BRYANT LIFE-SAVING AED PROJECT

Awarded: $2,090

Grant funds from the Blue & You Foundation Mini Grant supported the purchase of the City's first Automated External Defibrillator (AED) at Bryant City Hall. The AED was installed in the Court Room, a central and highly utilized space. This project filled a critical safety gap, ensuring City Hall is prepared to respond to emergencies.

BRYANT PARKWAY TRAIL CONSTRUCTION

Awarded: $1,760,000 **Match: $440,000**

The Bryant Parkway Trail will connect two existing trail segments from Raymar Road across the I-30 overpass to Highway 5, creating a safe route for pedestrians and cyclists between North and South Bryant. The Metroplan CPRG funded the project's construction phase.

BULLETPROOF VEST REIMBURSEMENT

Awarded: $1,000

The City was awarded $1,000 through the AACP Bulletproof Vest Reimbursement Program, which offers $250 per vest for up to four vests each year. This funding helps offset the cost of critical protective equipment for Bryant police officers.[36]

FIRE DEPARTMENT SCBA UNITS

Awarded: $363,636.36 **Match: $36,363.64**

The Bryant Fire Department received funding from the Assistance to Firefighters Grant (AFG) to purchase 40 self-contained breathing apparatus (SCBA) units. Each unit includes two air cylinders, an air pack, and a face mask, enhancing firefighter safety in toxic, high-heat, and other hazardous environments.

HILLDALE-MIDLAND CONNECTOR TRAIL

Awarded: $180,000 **Match: $45,000**

The Hilldale-Midland Connector Trail is a proposed 1.05 mile, 12 foot wide multi-use trail connecting Hilldale Road to Midland Park. This trail will provide a vital link between community destinations, including the Oak Glenn and Kings Crossing subdivisions, Parkway Elementary School, and Midland Park. The Metroplan STBG was awarded to cover the design phase cost overrun and right-of-way acquisition costs.

BRYANT POLICE DEPT. MENTAL HEALTH, WELLNESS, & FAMILY SUPPORT INITIATIVE

Awarded: $193,750.00

The Bryant Police Department received funding from the Law Enforcement Mental Health and Wellness Act (LEMHWA) grant to hire a full-time, in-house mental health counselor for a two-year period. The counselor will provide confidential support to Bryant Police Department personnel and their families, helping to reduce stigma, prevent suicide, and promote a culture of wellness and resilience.

FEMA DISASTER RELIEF

Awarded: $104,933.93

The City received 75% reimbursement for work completed during and after the April 2025 storms. This funding covered debris removal, repairs, overtime, and employee time for multiple departments, helping offset the significant costs incurred while responding to storm-related damage throughout the city. The City is awaiting the final payment of $1,044.07 for administrative reimbursement costs.

Forecast for Fund 500 & 510 was provided by Willdan from the 2025 Water and Wastewater Rate Study.

Most operating costs are expected to increase at an annual rate of 3.0%, which is approximately equivalent to the rate of inflation.
Certain expenses will increase at above-inflation rates, to reflect the rapid rate of increase of these costs. These expenses include chemicals, workers compensation, Medicare, and insurance.
Personnel expenses will increase at higher rates to reflect the forecast growth in number employees.
CAW projected rate is based on a published CAW 10-year rate forecast for 2022 – 2032.

The use of Long Term Debt or Bonds is an essential item to many municipalities to allow them to fund larger more costly projects. Similar to individual financing a car, bonding allows city's to spread the expense of an item over the life of the item. In many cases city's assets like roads and water plants have thirty plus year life spans.

Amendment 62 to the Arkansas constitution limits City General Obligation Debt (GO) to a limit of less than 20% of that area's assessed property values. The City of Bryant has no long term (more than 5 years) GO Debt. Its debt on the following pages is tied to specific revenue sources such as sales tax, franchise fees or water and sewer rates.

The Enterprise Debt Issuances are Revenue Bond Debt. Prior to issuing enterprise fund bonds, an analysis of current revenues and expenses is conducted to determine the revenues required to support a bond issue.

The City of Bryant uses the Job Evaluation and Salary Administration Program known as JESAP to evaluate its overall Personnel costs. This system is provided by an independent vendor named JER HR Group. During 2024 theindividual the city and AML had worked with for more than ten years retired and sold the company to a national company called Trainery. The system had previously compared the City of Bryant with 12 of these data sources. For the last seven years with the budget process the most currently available JESAP study hasbeen reviewed and accepted by Council aswell. Thisyear for the 2026 Budget Book we will be using an annual market study conducted by Compbuilder received 8/13/25 and listed as Exhibit 15. This Exhibit shows the City of Bryant at 8.78% below the Midpoint in salaries. Out of 218 positions listed it showed 17 under the minimum, 72 in the 1st Quartile, 99 in the 2nd Quartile,

27 in the 3rd Quartile, 3 in the 4th Quartile and zero over the max. In an attempt to remain competitive this budget includes up to a 3% possible merit based on evaluations. The hope is that this will allow the city of Bryant to remain competitive while we explore long term solutions to our market study needs.

Governmental Funds

The City has two major Governmental Funds -the General Fund and the Street Fund. The General Fund includes the Sales Tax Fund 002, the Franchise Fee Tax Fund 003, and the Electronic Tax Fund 010 when it is shown in the audited financial statements. However, so that the individual budgeted lines can be viewed by Council those funds are broken out in this budget book and shown under the Non Major Governmental Funds section. General Fund includes Administration Department, Office of Technology (IT), Community Development, Animal Control, Courts, Parks and Recreation Department, Fire Department, and the Police Department. Administration includes the Mayor, City Clerk, Office of Technology, Human Resources, and Finance whose department code is 0100 and the IT with department code 0110. Community Development's department code is 0120. Animal Control is department 0200. The Court system is shown in department 0300. However, note that the Judge is elected and half of the Courts costs are borne by the city and half by the county.

Parks and Recreation is shown by park in the following departments 0400 for Parks General, 0410 for Mills Park, 0420 for Midland Park, 0430 for Bishop Park and Center, 0440 for Alcoa Park and 0450 for Ashley Park. The city has a few more small parks but the expenses associated with these are shown under Parks General 0400. The Fire Department is in the General fund under 0500 and the reciprocal agreement the City has with Springhill Fire District is shown under department 0510. The Police Department is shown under Departments 0600 for General Patrol and Administration of PD, 0610 for the department that shows the costs and revenues associated with non-uniformed civilian employees, 0620 for the department that shows the costs and revenues associated with the School Resource Officer Program that is has its costs split between the City of Bryant and the Bryant School District, and the K9 unit costs are shown under department 0630. The General Fund accounts for all the City's financial resources of the general government except those required to be accounted for in another fund.

The Street Fund is 080 and is a special revenue fund used to account for all activities associated with maintaining and constructing streets. Arkansas statutes that provide funding for street and drainage projects require that these activities be accounted for separately. The Street Fund is financed by state turnback funds and a portion of a state wide 1/2 cent sales tax and 30% of the 1% Designated Tax.

While Street is a Governmental Fund it is managed under the Public Works Director with all the Enterprise Funds.

Other Governmental Funds are shown together and listed in this document as Non Major. These Non Major Funds include some Special Revenue, Debt and a Construction Fund.

Elected City Clerk

atCityHall - 210SW3rd St.

Elected City Clerk, Mark Smith

Terms2023 to 2026

The City Clerk is an elected official, who like the Mayor and Council, works for the citizens.

Mission Statement: To ensure the City's legislative processes are open and transparent by providing a bridge between citizens and government through the dissemination of information, and to ensure the preservation, access and integrity of records required to be stored for legal and business purposes.

The Clerk's office provides staff support for the City Council, preparing and maintaining the Council meeting minutes and maintaining public access of the Ordinance Manuals. The City Clerk is responsible for recording and publicizing the proceedings of the meetings, preparing the council approved ordinances and resolutions which are numbered, signed by the mayor and attested by the clerk and sealed. The Clerk is the legal custodian of the city's official records and city seal.

It is also the duty of the City Clerk to receive, file, and retain the Code of Ethics and Financial Disclosure Statements from appointed municipal commissioners and elected officials, including the mayor, aldermen, clerk, treasurer, city attorney, and municipal judge and to work in cooperation with the Saline County Election Commission to prepare for City Elections. The term of office for the City Clerk is four years.

Elected City Attorney

atCity Hall - 210 SW 3rd St.

Ashley Clancy

Mission Statement: It is the mission of the City Attorney's Office to provide sound legal advice to the Mayor, City Council, City Departments, Commissions and Committees. It is also our mission to initiate and defend legal actions on behalf of the City, which may include City employment and personnel matters, condemnations, property issues, zoning issues, contract and lease disputes, and other causes of action in both State and Federal Courts.

Additionally, it is the mission of this office to prosecute in the criminal division of Bryant District Court misdemeanor offenses, traffic law and ordinance violations which occur within the city Limits in a thorough, efficacious, and equitable manner and to assist the authorized and assigned departments in the enforcement of laws and the protection of the health, safety, and welfare of the citizens of the City of Bryant.

Goals

1. To promote integrity in all facets of work and professional conduct.
2. To serve our community with competent professional legal representation.
3. To treat all persons with a professional, respectful and compassionate manner.
4. To be accountable for ensuring the policies of the office and the needs of the community are served.
5. To be open and forthright in our communications with all parties involved in any city legal related issues.

Legal Advice to the Public

The City Attorney is the attorney for the City of Bryant as represented by the elected Mayor and Council Members. Because of that relationship, the office cannot represent or provide legal advice to the public, individual citizens or private organizations.

3 Part Time Animal Care Assistants		

The mission of Bryant Animal Control and Adoption Center is to provide compassionate, timely and effective response to domestic animal situations in order to ensure the safety of all citizens and animals through the consistent enforcement of state and local laws relating to the humane treatment, control of domestic animals, support and secure the human-animal bond.

2025 Achievements:

1. Social Media (Meta) reach surpassed 2 million.
2. Sucessfully implemented several intake diversion programs which cut our animal intakes almost in half, allowing us to officially become No-Kill in August of 2025.
3. Sucessfully completed 3 month- long challenges offered by Best Friends Animal Society, which led to us winning multiple grants through Best Friends, expanded the volunteer program implementing new programs such as the long term fostering, regular Doggy Day Out, in shelter volunteering and internships.
4. Implemented the Community Cat Program, intended to reduce feral populations, while improving lifesaving efforts for cats - there is still a ways to go to streamline the program, but it is off to a great start.
5. Focused efforts to remove barriers to adoption and expanded reclaim efforts - by empowering officers and staff to recognize when a pet owner needs asistance instead of always defaulting to enforcement.
6. Replaced all ACO vehicles with new units and purchased a horse trailer. The adoption trailer has been ordered, and is scheduled to be delivered in early 2026. (all paid with Amend 78 over 5 years)
7. Explored and utilized ways to encourage community interest and involvement in the shelter - we created a volunteer position of Shelter Advocate, which is a role for individuals who are social media savvy to share stories of pets in need in order to increase reclaims, pet adoptions, and donations.

2026 Goals:

1. Explore and utilize other avenues of taking a proactive role in pet ownership education.
2. Secure a company to evaluate our needs and develope a plan to either remodel our current shelter facility, build a new facility at our current location, or build a new shelter in a new location.
3. Continue to offer advice and assistance to Saline County and surrounding jurisdictions in regard to animal services/control.
4. Review and update internal protocols as needed in order to provide the best service to our community and the animals in our care.
5. Maintain forward momentum with our recent achievements in no-kill animal sheltering.
6. Fill personnel vacancies, and obtain certifications as needed.
7. Continue our progress with providing alternatives to animal intake.

Trial Coordinator Jackie Lindsey

District Court Clerk Lindsey Dinwiddie

Ancillary District Court Clerk Melanie Smith

In Arkansas, district courts were formerly known as municipal courts before the passage of Amendment 80 to the Arkansas Constitution in 2000. Act 3 and Act 627 of 2009 created 25 pilot district judgeships in the state, two of which are in Saline County. The Saline County District Courts exercise countywide jurisdiction over misdemeanor criminal cases, preliminary felony cases, and in certain types of civil cases in matters of less than $25,000. There are no jury trials in district court. In a district court trial, the judge makes both findings of fact and rulings of law.

A small claims division of the Saline County District Court is administered by the Bryant Department and presided over by Judge Casady of the Bryant Department. This small claims division provides the citizens of Saline County a forum in which citizens may represent themselves to resolve minor civil matters. No attorneys may take part in litigation in the small claims division.

Enterprise Funds

The City has a major Enterprise Fund called the Utility Revenue Fund shown as number 500. This fund started out housing the collections of the water payments on the utility bills; however, wastewater funds are collected through this fund as well. Any Enterprise Fund revenues are collected through this fund and then distributed out to their separate funds via transfers. This began changing with a General Ledger Software Conversion in 2022. Going into 2023 it is planned for all of Water's revenues and expenses to be housed in Fund 500 and all of Wastewater's related revenues and expenses to be housed in Fund 510.

The water expenses are derived from the treatment and distribution of water to approximately 9000 customers. The Water department received its water from the Central Arkansas Water Authority in Little Rock, Arkansas. The expense to pay for the water is listed under the supplies category.

In 2016 the City added a new enterprise fund 515 for Stormwater capital costs. The city collects on the Utility bills $3.00 from all residential customers and $6.00 from all commercial customers to help fund capital projects associated with stormwater issues. Because many Stormwater issues are related and in Streets the Stormwater Personnel and related operating costs continue to be paid out of the Street Fund, see those related pages in this Budget Book for a complete picture of Stormwater issues.

The Water and Wastewater Divisions had Twenty Year Master Plans completed by Crist Engineering in 2008 and new ones completed in 2025. New master plans are scheduled to be completed in 2024. These documents are listed as Appendices to this document and should be reviewed each year during budget season to make sure we are adhering to our master plans.

Appendix 1 - Major Vendor List * Denotes under Contract, Single Source is shown as SS and is defined as "best performing for the current city systems, usage, or services" , D = paid by DRAFT and OG means vendor over many years. Note Ordinance 2022-18 was approved by Council in July of 2022 and denotes that items on DRAFT will be brought once a year to Council during the budgeting process and many vendors on this list will not be brought back to Council for approval because of earlier approvals in many forms. State Statute (A.C.A 14-58-303)b)(2)(B) says that bids are not required on motor fuels, oil, asphalt, asphalt oil, natural gas and in some cases on motor vehicles.

Appendix 2 - Salaries, Wages, Benefits Allocation Review

Itisaverycommon practice for shared costcenters in Administrationora general fund of a city tobe allocated out to other funds. In the case of the City of Bryant services provided by the departments outlined below - Finance, HR, Attorney, Mayor, City Clerk, and Information Technology - are provided to the other departments but the costs associated with their payroll are housed in Administration. To more accurately reflect these costs where they are utilized the Salaries, Wages, and Benefits Calculation is performed each budget season and an agreed upon amount is charged back to the other departments to reflect these costs/usages.

The City of Bryant started applying for the GFOA Budget Book Award in 2017. The City first received the Award for their 2018 Budget Book. Planning and long term goal setting have always taken place within the city but with the submission of the budget book these processes have begun to be more fully documented by the present City Finance Department.

The 2016 $26 million dollar Bond issuance was under taken in part to fund two Fire Stations and several parks projects that had been planned for some time and in part were discussed in conjunction with a 2020 plan.

It was planned in both 2020 and 2021 to hold several joint meetings to begin to solidify a 2040 Plan between the City Chamber and the City's offices; however, because of COVID these meetings were put on hold and never conducted. On the City's side to start an informal process of listing items considered for General Fund for the next 20 years the Department heads were polled. Some of the items listed came from the feedback received from Department heads. We have been included this listing in the Budget Books for 2020, 2021, 2022, 2023, 2024, 2025 and now 2026.

The State of Arkansas mandates that General Funds be budgeted balanced each year excluding capital projects. In order for this to be clearly and transparently accomplished each year the Council has chosen to adopt the regular budget in December and then come back and adopt a separate resolution for any capital for General Fund. This appendix for these funds is not intended to provide for precise budgeting. The
costs are estimates. Annually in the Budgeting process updates to the plan, deletions, additions, delays or other revisions may occur which will reflect changing community needs and resources. Only after incorporation in successive budgets or as approved separately by the City Council will these items be considered funded.

Some of the items contained here in this appendix will require on going operational costs and in some cases produce operational savings. However, given the speculative nature of these items these operational additional costs or savings have not been estimated at this time.

In 2025 Mayor Treat started discussions of a 2050 Comprehensive City Plan. Some of the items discussed for the 2050 plan may require additional review or approval by the various city committees/commission including but not limited to Water/Wastewater, Parks, Community Development and Review, Planning Commission and also review or discussion or reciprocal agreements with the County or State. Additionally some may require public hearings.

Future Capital Projects and Funding Considerations

Over the next decade, four major capital projects are being considered:

- Anew or significantly improved City Hall
- Anew Fire Station in the northern area of the city
- Anew Police Headquarters
- Anew Animal Control Facility

The combined cost of these projects is expected to exceed$10 million, likely requiring the issuance of bonds to finance them.

StartingDecember 1, 2026, the2016 Sales and Use Bondbecomes eligible for refinancing. At that time, the City Council could consider taking the issue to a public vote to refinance the existing debt and extend theSales Taxto help fund these critical infrastructure improvements.

This topic has been highlighted in the city'sBudget Books from 2022 to 2025. However, inSeptember 2024, Mayor Treat introduceda new possibility to theCity Council and Bond Counsel: theadvanced refundingof the 2016 debt to fund the construction of anoutdoor entertainment venue.

Proposed Plan for Refinancing Failed

This extension would have generated an estimated$33 millionto fund the entertainment venue.The strategy behind this approach was thevenue would drive economic growth, potentially increasing sales tax revenue, property taxes, and franchise fees. These additional revenues could then be used to finance future city projects, including facility improvements. If successful, this plan might reduce the need for new facilities by allowing for repairs and enhancements to existing structures.Theelection washeldMay 13, 2025, voters chose not to refinanceat that time. Back to the drawing board. In April of 2025 a Funding Committee was formed to address this and other funding issues being experienced by the City of Bryant. After 6 meetings the funding committee decided to get behind the idea of increasing sales tax to fund these and other items like the Wastewater Treatment plant needed upgrades, Stormwater infrastructure and others. The committee disbanded. The amount and division and timing of such a tax increase is being explored by consultants the city hired for the Comprehensive Plan.

It is unknown how much will be received from the sale but it should be budget neutral in 2025 to replace only 13 (6 regular, admin unmarked, 7 Enterprise) of them in 2025 and two in later years. After 2024 the Police Department is the only department planning to continue their leases with Enterprise. In 2024 they bought 8 new vehicles from Enterprise to pay off through 2029 (5 years). The old Enterprise agreement from 2020/2021 is for 32 vehicles. They currently rent 7(budgeted in act 5245 non-cap) and that brings their department total to 62 vehicles for 59 dept employees.

A potential deficit of $4216.76 has not been budgeted for in 2026. The city is waiting to see the final 2025 numbers before determining which fund will pay for this if it is necessary.

Garver said billing will not be completed in 2025 because the Mayor of Alexander has not signed the LOMR since requested in May 2025. Her signature is the last step before submitting the LOMR to FEMA. Once submitted to FEMA, it usually take 3-6 months for FEMA to approve and they will likely have Garver to answer questions/address comments during that review period. Once the LOMR is approved by FEMA, Garver should be able to close out the project.

Grader comments in past years have asked for a review of facility operational costs. For the 2023 Budget Book after adoption, we put this chart together. We gained a lot from that review so we have kept in for the 2024, 2025 and 2026 budget books. As is typical you do not want to overbudget for your Utilities and other facility maintenance costs but you also do not want to drastically underfund these areas either. Reviewing this helps the City at large to budget for these areas more efficiently. We have shaded those areas that are over or under by more than $5K. Several things happened that affected Property Insuance but these took place too late for the city to adquately adjust the 2026 numbers. This will be discussed with Council in the early months of 2026.

Glossary:

Accrual - revenue and expenses are recorded when they are incurred. Act 474 Sur Charge is paid by the Code Department to the State.

Ad Valorem - a basis for levy of taxes upon property based on value.

Agency Fund - a fund consisting of resources received and held by the governmental unit as an agent

Arbitrage - the simultaneous buying and selling of securities, currency, or commodities in different markets or in derivative forms in order to take advantage of differing prices for the same asset.

Audit - an official inspection of an individual's or organization's accounts, typically by an independent

Balanced Budget - a budget balanced by fund, means the total anticipated revenues are equal to or exceed the budgeted expenditures for that fund.

BOND: (Debt Instrument): A written promise to pay a specified sum of money (called the principal amount or face value) at a specified future due date (called the maturity date) along with periodic interest paid at a specified percentage of the principal (called the interest rate). Bonds are typically used for long-term debt to pay for specific capital expenditures. The difference between a note and a bond is that the latter is issued for a longer period (over 10 years) and requires greater legal formality.

Budget - an annual or other regular estimate of revenues and expenditures put forward by the government, often including details of changes in taxation or other revenue sources.

Capital Expenditures - as also described for this particular Entity/City on page 13 are reviewed starting at $5000 with a life of two or more years and the common definition is money spent by a business or organization on acquiring or maintaining capital assets, such as land, buildings, and equipment.

Capital Projects Fund - A fund created to account for all resources to be used for the acquisition or construction of designated capital assets.

Cash basis is a major accounting method by which revenues and expenses are only acknowledged when the payment occurs.

Debt Service Fund - A governmental type fund used to account for accumulations of resources that are restricted, committed, or assigned to expenditures for principal and interest.

Depreciation - a reduction in the value of an asset with the passage of time, due in particular to wear and tear.

A Dewatering Facility is a Wastewater Treatment Plant option. The City of Bryant implemented this option in 2018.

Enterprise Fund - A Fund established to finance and account for the acquisition, operations, and maintenance of governmental facilities and services which are entirely or predominantly self - supporting by user charges.

The Federal Drinking Water Loan Program is operated by the Arkansas Natural Resources Commission.

Franchise Fee - a fee paid by public service businesses for use of city streets, alleys, and property in providing their services to the citizens of a community, included but not limited to electricity, telephone, natural gas and cable television.

Full - Time Equivalent Position (FTE) - A part time position converted to the decimal equivalent of a full time position based on 2080 per year. For example, a summer lifeguard working for four months, or 690 hours, would be equivalent to .33 of a full time position.

FUND: An accounting entity with a self-balancing set of accounts containing its own assets, liabilities and fund balance. A fund is established for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

Fund Balance - is when liabilities are subtracted from assets, there is a fund balance. A positive fund balance means there are more assets than liabilities; a negative fund balance means just the opposite. Fund balance can be complicated by the fact that part of the fund balance is reserved and part unreserved.

Governmental Fund - A generic classification of funds used to account for activities primarily supported by taxes, grants, and similar revenues sources.

Getac is the Police Department's software for the in car video.

Major Funds are defined as those funds whose revenues, expenditures/expenses, assets or liabilities are at least 10 percent of the total for their fund category (governmental or enterprise) and 5 percent of the aggregate of all governmental and enterprise funds in total and Non Major Funds are all others.

MSI/Virtual Justice is computer software used by the Courts system.

Non Major Fund - is a fund that doesn't meet the criteria to be classified as a major fund. These funds are not individually reported but are aggregated and presented in a single column on financial statements.

Profit Star is computer software used for the Water, Wastewater and Stormwater bills.

ROCIC is a government organization used by Police Department for intelligence gathering and equipment loans.

Special Revenue Fund - A fund established to account for revenues from specific taxes or other earmarked revenue sources that by law are designated to finance particular functions or activities of government.

Trust Fund - A fund consisting of assets belonging to a trust, held by the trustees for the beneficiaries.

MAYOR (Signature)

ITEM HISTORY (Previous Council reviews, action related to this item, and other pertinent history)

A new Public Works Director was appointed November 2025. The new director reviewed operations and determined to streamline the management of the department and therefore proposes a new organizational chart.

ITEM COMMENTARY (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

Operational budget of the Public Works Department is under review by the new director as well as the Mayor's administration to determine where cost savings can be encountered. As part of this, the staffing of the department has been reduced by eliminating certain long-vacant positions, reduction in managerial staff, and reassigning of tasks. As part of the restructure, some departments were redefined to better manage individuals scope and prevent confusion between departments. However, most separated departments are intended to be staffed by inter-department transfers.
A previous (2025) organizational chart is presented along with a proposed (2026) chart for comparison.
Also included is comparison budget analysis to indicate the potential savings for the coming year(s).

(This section to be completed by the Mayor)

ACTION PROPOSED (Motion for Consideration)

Council accepts and issues a resolution to adopt the proposed Public Works Organizational Restructure.

RESOLUTION NO. 2026 - _____

ITEM HISTORY (Previous Council reviews, action related to this item, and other pertinent history)

This has been recommended by Parks Committee.

ITEM COMMENTARY (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

With the Parks Department assuming operational responsibility for the Barracudas Swim Team, there is an immediate need to add a full-time position within the Aquatics Division. The proposed Aquatics Specialist will provide essential night and weekend supervision when the Aquatics Coordinator is occupied with coaching duties, program oversight, and meet operations. This position will also support coaching responsibilities, which is critical as we expand to two competitive teams during the summer months while simultaneously operating pools at Bishop Park and Mills Park. During the offseason, the Aquatics Specialist will absorb the majority of hours currently covered by part-time Shift Leaders, improving continuity, reducing turnover, and strengthening year-round operational stability.

ITEM HISTORY (Previous Council reviews, action related to this item, and other pertinent history)

Over the past several years, the City of Bryant has successfully secured $3.8 million in grant funding. During this time, the scope of our grant activities has expanded from transportation and planning to supporting nearly every city department. Based on the success of other cities, it is clear that establishing a dedicated Grants Department is the next logical step for Bryant.

ITEM COMMENTARY (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

Mayor Treat is proposing to transition the current grant position from the Planning Department to report directly to the Mayor. This role will be designated as Grants Manager. While we do not foresee adding additional staff at this time, this structural change will allow for the focused research and planning necessary to increase the city's investment in pursuing grants. This move is budget-neutral. For the remainder of the year, costs will be shared between Public Works and Planning. Next year, the department will be broken out as a separate service, similar to other SWB services. Additionally, this transition will allow the Planning and Development Department to determine its own next steps for growth, such as adding a code officer or a lead building inspector.

ITEM HISTORY (Previous Council reviews, action related to this item, and other pertinent history)

This project was previously submitted as part of the 2025 Metroplan TAP Grant application. Because the proposed trail overlay was an additional element beyond the original Alcoa to Mills Park Trail project scope, it was not included in the awarded funding.

ITEM COMMENTARY (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

The project proposes an overlay of the entire Mills Park Trail, totaling 1.4 miles. The trail experiences heavy daily use and has deteriorated in several areas, including surface damage caused by tree roots and uneven pavement conditions. These issues impact user safety and accessibility. The City is applying for funding through the Arkansas Department of Transportation (ARDOT) Recreational Trails Program (RTP) Grant in the amount of $157,680. If awarded, the City will provide the required 20% local match of $39,420 to complete the project. (GL#: 001-0400-5816)

(This section to be completed by the Mayor)

ACTION PROPOSED (Motion for Consideration)

Approve the resolution permitting the City of Bryant to submit an application for the grant and to participate in the program if funding is awarded.

WHEREAS, City of Bryant understands Federal-aid Transportation Alternatives Program or Recreational Trails Program Funds are available at 80% federal participation and 20% local match to develop or improve the project, Mills Park Trail Overlay, and

WHEREAS, City of Bryant understands that Federal-aid Funds are available for this project on a reimbursable basis, requiring work to be accomplished and proof of payment prior to actual monetary reimbursement, and

WHEREAS, this project, using federal funding, will be open and available for use by the general public and maintained by the applicant for the life of the project.

NOW THEREFORE, BE IT RESOLVED BY BRYANT CITY COUNCIL THAT:

SECTION I: City of Bryant will participate in accordance with its designated responsibility, including maintenance of this project. The Parks account (GL Line: 001-0400-5816) will cover the local match requirement.

SECTION II: Mayor Chris Treat is hereby authorized and directed to execute all appropriate agreements and contracts necessary to expedite the construction of the above stated project.

ORDINANCE NO. _____

AN ORDINANCE WAIVING A CONFLICT OF INTEREST AND AUTHORIZING THE CITY OF BRYANT, ARKANSAS TO ENTER INTO A CONTRACT WITH TYG LANDSCAPING, OWNED BY A CITY EMPLOYEE; DECLARING AN EMERGENCY; AND FOR OTHER PURPOSES.

WHEREAS, the City of Bryant, Arkansas ("City"), issued a Request for Proposal (RFP) for mowing services to be performed for the Bryant Police Department and Bryant Fire Department; and

WHEREAS, after review of the qualifications submitted, TYG Landscaping was selected as the most qualified and responsive company to perform such services; and

WHEREAS, TYG Landscaping is owned and operated by Chandler Pruitt, who is currently employed by the City of Bryant as a Firefighter; and

WHEREAS, pursuant to Arkansas Code § 14-42-107, municipal employees are generally prohibited from having an interest in contracts with the municipality unless the governing body has enacted an ordinance specifically permitting such business dealings and prescribing the extent of the authority; and

WHEREAS, all mowing services performed by Chandler Pruitt and/or TYG Landscaping shall be performed outside of Mr. Pruitt's scheduled working hours in his role as a Firefighter for the City of Bryant, and no City equipment, time, or resources shall be utilized in the performance of said contract; and

WHEREAS, the City Council finds that TYG Landscaping was selected through a fair and competitive RFP process, that the contract is in the best interest of the City, and that appropriate safeguards exist to prevent misuse of public office.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BRYANT, ARKANSAS:

SECTION 1. AUTHORIZATION AND WAIVER.
Pursuant to Arkansas Code § 14-42-107(b), the City Council hereby specifically permits and authorizes the City of Bryant to enter into a contract with TYG Landscaping, owned and operated by Chandler Pruitt, for mowing services for the Bryant Police Department and Bryant Fire Department.
The City Council hereby waives the statutory conflict of interest to the extent necessary to allow this contractual relationship.

SECTION 2. CONDITIONS AND LIMITATIONS.
The authorization granted herein is expressly subject to the following conditions:

1. All services performed by TYG Landscaping shall be performed outside of Chandler Pruitt's scheduled work hours in his role as a Firefighter for the City of Bryant.
2. No City equipment, materials, vehicles, supplies, or on-duty personnel time shall be used in the performance of the contract.

3. Compensation under the contract shall be at the rates approved through the RFQ selection process.
4. This waiver applies solely to the mowing services contract described herein and does not constitute a blanket authorization for future contracts.

SECTION 3. SEVERABILITY.
If any provision of this Ordinance is declared invalid or unenforceable, such declaration shall not affect the remaining provisions, which shall remain in full force and effect.

SECTION 4. EMERGENCY CLAUSE.
The City Council finds that mowing services are necessary for the proper maintenance, safety, and operation of City facilities, including the Police and Fire Departments; that uninterrupted grounds maintenance is essential for public safety and welfare; and that immediate authorization of this contract is necessary to ensure continued services.
Therefore, an emergency is declared to exist, and this Ordinance shall be in full force and effect immediately upon its passage and approval.

Public Statement: 2026 Customer Leak Outreach Initiative

The City of Bryant Water & Wastewater Department would like to share an update about how we are strengthening customer communication and supporting our community in 2026.

Our official leak adjustment policy explains that while the City is not required to actively monitor Waterscope for leaks, we will notify customers if we happen to observe something unusual at the meter.

This policy remains in place, and we continue to encourage all customers to create and monitor their own Waterscope accounts so they can track daily water usage and identify potential leaks early.

However, as part of our renewed commitment to customer service, transparency, and community trust, the Water & Wastewater Department is going a step further.

Beginning in the January 2026 billing cycle, staff will proactively review Waterscope data each week.

Every week, our system will generate a list of the top 30 highest potential residential leaks in Bryant. Our staff will then personally reach out to those residents to let them know what we are seeing.

Our goal is simple:
Prevent surprises. Protect your budget. Help you catch leaks before your bill arrives.

Many leaks are small and easy to miss; a toilet that hangs up and runs intermittently, a faucet that drips overnight, etc. These issues can go unnoticed for days or weeks, especially if no one is home during peak usage times. By reaching out early, we hope to help customers avoid higher bills and unnecessary stress.

This hands-on outreach reflects our priorities for 2026:

- **Strengthening customer trust**
- **Improving communication**
- **Helping our community better understand and manage their water usage**
- **Partnering with customers instead of reacting after the fact**

Our team looks forward to working more closely with residents and helping ensure that small issues don't become big ones.

If you have not yet created your Waterscope account, we strongly encourage you to do so and take advantage of the daily usage tools available to you. Together, we can protect our system, conserve water, and support our customers in a meaningful way.
