

STORMWATER ED
MAKING A SPLASH IN 2018

His first appearance was at the First Responders Lunch and The Rubber Duck Derby. He has been a big hit with kids bringing his message of **Nothing in the Storm Drain but the Rain**. Most rainfall that hits the ground flows to his home in our streams. We can help reduce polluted runoff by using commercial wash bays, keeping cars in good repair (no leaks), keeping harmful chemicals stored and covered, and by keeping yards and ditches free of trash and debris. Visit our City web page (Stormwater Department) for coloring sheets, cartoon strips and educational videos.

MILLION CAT CHALLENGE

Bryant Animal Shelter named a Top Performer in the Million Cat Challenge

Over 1200 animal shelters and welfare organizations in the US and Canada participated in the 5-year-long program which was designed to reduce euthanasia of shelter cats. Bryant is one of the shelters that has reduced the euthanasia of cats by at least 50% during that time. The shelter staff has expressed sincere appreciation to all who supported them during the Challenge, and promise to continue their efforts to save lives in our community.
